Hon'ble Speaker Sir,

Now, I would take up the General Budget

Highlights of Fiscal Management

Under the able leadership of our Hon’ble Chief Minister, we have been achieving the fiscal targets prescribed in the Odisha Fiscal Responsibility and Budget Management (FRBM) Act, 2005. During the last twenty years, the State has been a model for fiscal discipline and prudence for other States.

Between 1999-2000 and 2018-19, our State’s total revenue has grown from about 12.3 per cent to 20.1 percent of GSDP. This has led to increase in total size of public spending from about 16 per cent to 23 percent of GSDP. The outlay of State Plan/Programme expenditure has registered a jump from about 5 per cent to 12 per cent and capital outlay has gone up from 1.7 per cent to 4.7 per cent of GSDP. The capital outlay is financed through generation of surplus on revenue account and partly through public debt.

2. As per the Revised Estimates for 2019-20, there will be a revenue surplus of **Rs.6,175 crore** and the fiscal deficit is estimated to be at **3.4 per cent** of GSDP which is within permissible FRBM target for Odisha. The tax to GSDP ratio is
likely to be 6.3 per cent and the year-end debt stock to GSDP ratio would be 17.9 per cent.

**Budget Estimates, 2020-21**

3. We propose a budgetary outlay of Rs.1,50,000 crore, which includes outlay of Rs.65,655 crore for Administrative expenditure, Rs.74,000 crore for Programme expenditure, Rs.3,200 crore for Disaster Response and Rs.7,145 crore for transfer to local bodies and development authorities. Besides, we propose to invest about Rs.6,500 crore from off-budget resources like OMBADC, DMF, State PSUs etc. to supplement the budgetary outlay.

4. The capital outlay in 2020-21 is Rs.26,513 crore, which is about 4.5 per cent of GSDP. Additionally, loans and advances, grants for creation of capital assets and other expenditure for capital formation together account for Rs.10,000 crore, which is 1.7 per cent of GSDP.

**Financing the Annual Budget, 2020-21**

5. The outlay is proposed to be financed mainly through revenue receipts of Rs.1,24,300 crore and borrowing and other receipts of Rs.25,700 crore. The fiscal deficit is estimated to be 3 per cent of GSDP for the year 2020-21.

6. Total revenue receipts for the year 2020-21 include State’s Own tax for Rs.38,350 crore, Own Non-tax revenue of
Rs.17,650 crore, State’s share in Central taxes for Rs.36,300 crore and grants from Centre for Rs.32,000 crore.

94. Odisha has been a leading performer in the country in implementation of Integrated Financial Management System (IFMS) for automation of treasuries and for electronic receipts and disbursements. We have now switched over to the next level of Integrated Financial Management System (IFMS 2.0) so that the entire chain of financial transaction from Drawing and Disbursing Officer to Accountant General becomes digital and paperless with the implementation of e-Praman and e-Signature in a time bound manner.
95. As a part of process re-engineering, we intend to switch over to a system of “Global Allotment” for disbursement of personal entitlements of the employees. This will ensure hassle free and timely withdrawal of personal entitlements for the employees.

Conclusion

96. Under the visionary leadership of Hon’ble Chief Minister Shri Naveen Patnaik, we have tried to address the competing priorities across different sectors within the resource envelop in an optimal manner despite the economic slowdown. This budget is a reflection of our enduring commitment towards transformation into a New-Odisha, Empowered Odisha. Now, I dedicate this budget to the people of Odisha on the occasion of 150th Birth Anniversary of Mahatma Gandhi, the father of our nation with a quote from our National Poet Shri Birakishore Das……

“ଜୀବେସବାଚ, 
ହିଂସା ନୀତିର ସାଲଙ୍କ ଦିଛି, 
ଜୀବେସବାରେ ଇଯେ ଜୀବନ ମିଛି 
ଆବୁଇାଲେ ଭାଦର ମିଛି ଦିଛି”
