OFFICE MEMORANDUM

Sub: - Sanction of Grant-in-Aid, Maintenance of accounts thereof and submission of Utilization Certificate.

1. The detailed guidelines regarding sanction of Grant-in-Aid, Maintenance of accounts thereof and submission of Utilization Certificate are contained in Section III of Chapter 10 of OGFR, Volume -1 under Rules 170 to 173 and supplemented by executive instructions. However, these rules are required to be modified so as to compile information relating to Grant-in-Aid sanctioned by the State Government in accordance with Indian Government Accounting Standard-2 (IGAS-2) and its incorporation in Finance Accounts of the State Government. Accordingly, pending revision of OGFR, the following guidelines are issued for compilation of information relating to Grant-in-Aid sanctioned by the State Government.

2. Principles and Procedure for award of Grants-in-aid:

ii) Grants-in-aid in cash shall be recognized in the books of the grantor at the time cash disbursements take place. Grants-in-aid in cash shall be recognized in the books of the grantee at the time cash receipts take place.

iii) Each Department should maintain a list of Institutions or Organizations along with details of amount and purpose of grants given to them on its web site.

iv) Every order sanctioning a grant shall indicate whether it is recurring or non-recurring and designation of the countersigning authority, and specify clearly the object for which it is being given and the general and special conditions, if any, attached to the grant. In the case of non-recurring grants for specified object, the order shall also specify the time limit within which the grant or each installment of it is to be spent.
v) When recurring Grants-in-Aid are sanctioned to the same institutions for the same purpose, it should be clearly stated in each sanction order that the unspent balance of previous year’s grant has either been surrendered to Government or has been taken into account in sanctioning subsequent grant. The fact of exemption from submission of audited statement, if any, may also be indicated in the sanction order.

vi) The sanctioning Authority while sanctioning Grants-in-Aid to Small Institutions, which are entirely or mainly financed by Government, and to Local Bodies shall specify the Counter Signing Authority, the Drawing and Disbursing Officer, the periodicity of drawal and disbursement, the time limit by which utilization certificate is to be submitted, in case it is so required as per the stipulation made in the sanction order.

vii) The authority sanctioning a grant while communicating the sanction to the Accountant-General should state whether the audited statement of accounts has been received when required or whether the grantee has been exempted from submitting the statement.

viii) A target date should be prescribed for submission of audited statements of accounts by the grantee-institutions to the sanctioning authorities concerned and for submission of utilization certificate to the Accountant-General

3. Model Sanction Order:

A sample format for sanction of Grant-in-Aid placed at Schedule-I should be invariably adopted with necessary addition and alteration wherever needed in order that the sanction order captures all relevant information required for maintaining Grant-in-Aid register in Annexure-I & II and incorporation in Finance Accounts subsequently.

4. Maintenance of Register of Grants and submission of information for preparation of disclosure statement in accordance with IGAS-2 by the Departmental Officer:-

i) A Register of Grants shall be maintained by the sanctioning authority/ countersigning authority in the format given in Annexure-I where the grant-in-aid is drawn by the grantee.

ii) A Register of Grant-in-aid is to be maintained in Annexure-II by the drawing officer where the grant is drawn by the Departmental authority.
iii) The following conditions should be observed in the matter of sanction of grants-in-aid which result in the creation or acquisition of permanent or semi-permanent assets:

(a) The grantee institutions should maintain a register in Annexure-III of the permanent and semi-permanent assets acquired wholly or substantially out of Government grants. The register should be maintained by the grantee institutions separately in respect of each sanctioning authority and a copy thereof furnished to the sanctioning authority annually.

(b) The sanctioning authorities should also maintain block accounts of permanent and semi-permanent assets acquired wholly or substantially out of Government grants in Annexure-IV. This record is of a permanent nature and should be posted from the annual return furnished by the grantee institutions.

(c) The Register of Assets and the Register of Block Accounts maintained by the grantee institutions and the sanctioning authorities respectively should be open to scrutiny by audit.

(d) An undertaking should be obtained by the sanctioning authorities from the grantee institutions to the effect that they (the institutions) agree to be governed by the conditions of the grants which result in the creation or acquisition of permanent or semi-permanent assets.

(e) In respect of grants to non-Government or quasi-Government bodies or institutions the assets should not, without prior sanction of Government be disposed of or encumbered or utilized for purpose other than those for which grants are sanctioned. This condition may be laid down in the orders sanctioning grants-in-aid. Assets for the above purpose should mean (a) immovable property and (b) movable property of a capital nature where the value exceeds ₹ 50,000.

iv) Based on the information available in the Register maintained in Annexure-I & II, by the sanctioning authority, counter signing authority and/or the Drawing Officer, as the case may be, they shall submit the information required in Indian Government Accounting Standards (IGAS-2) in respect of grant-in-aid released during the previous financial year (t-1) in Annexure-V to the Accountant General (A&E), Odisha by 30th April of the succeeding financial year (t+1).

5. Submission of Utilisation Certificate, Reports, Statements etc.

(1) Submission of Utilisation Certificate to the Sanctioning Authority and Accountant General in respect of the grant-in-aid / grant is required in respect of
those grants-in-aid / grants sanctioned for specific purpose where-in the 
sanction order specifically stipulates submission of such Utilisation Certificate. In 
the absence of such specific stipulation for submission of Utilisation Certificate, 
submission of Utilisation Certificate is not necessary. Further, in respect of 
grants-in-aid / grants sanctioned for general purpose no Utilisation Certificate is 
necessary. Similarly, no Utilisation Certificate is necessary in respect of the 
sanction of funds for the following purpose :-

(i) Compensation and assignments sanctioned under the head of account “3604- 
    Compensation and assignment”
(ii) Contribution to Fund and annual subscriptions to different organisations
(iii) Relief and compensation on account of loss, atrocities etc.
(iv) Scholarship, Stipend and Reimbursement of expenditure.
(v) Grant-in-aid salary drawn by the Drawing & Disbursing Officers declared for the 
    Grantee Institutions (Aided Educational Institutions) as the salary of these 
    employees is being directly credited to their Bank Accounts.
(vi) Central Grants not transferred to outside agencies.

(2) Notwithstanding the stipulations indicated in Sub-Para (1), the 
sanctioning authority may insist Utilisation Certificate in respect of any types of 
grants-in-aid / grants earlier sanctioned before releasing further fund to ensure 
proper accountability for the funds earlier released.

(3) (i) The utilization certificates should be furnished in Annexure-VI 
(existing forms slightly modified which is applicable both for grant and loan) 
within a ‘reasonable time’ after the grant is paid to the institutions. The 
Administrative Department of the Government should prescribe, in consultation 
with the Finance Department, target dates for the submission of the utilization 
certificates by the institution concerned to the Accountant General through the 
Administrative Departments. The target date for submission of Utilization 
Certificate shall be as stipulated in the Sub-para below.

(ii) Since expenditure is incurred to achieve certain physical objectives, 
the utilization certificates must provide information on the physical progress of 
schemes for which grant has been utilized. It is, therefore, imperative that all 
institution/ organizations (including Public Sector Undertakings) receiving 
grants are to enclose a statement on the physical achievements made out of the 
grants sanctioned which should be commensurate with the amount of funds 
received. Such a statement as per the proforma in Annexure-VII (newly added) 
has to be separately enclosed with all the Utilisation Certificates and are to be 
countersigned by the Head of the Department as per the terms and conditions of 
the grants. (Finance Department Memo No.Codes-40/2002-1035 (333)/F., 
dt.07.01.2003)
(4) As a General principle the time line specified below for Submission of Utilisation Certificate in respect of different types of grants shall invariably be followed.

i) In case of recurring grant-in-aid released on half-yearly/quarterly basis, the installment due in respect of recurring grant-in-aid in the financial year “t” for the 1st half year/2nd quarter will be released on receipt of Utilization Certificate in respect of the total amount of grant-in-aid released during the year preceding the previous financial year i.e. released during the financial year (t-2).

ii) In case of recurring Grant-in-Aid, the installments due in the 2nd half year/3rd quarter of the financial year (t) will be released on receipt of Utilization Certificate for 50% of the grant-in-aid released in the previous financial year i.e. the financial year (t-1).

iii) In case of recurring grant-in-aid towards salaries for educational institutions released on monthly/quarterly basis, the installment(s) during the first two quarters of the financial year (t) will be released on the basis of Utilization Certificate for the total amount of grant released during the year preceding the previous financial year i.e. during the financial year (t-2).

iv) The installments due in respect of recurring grant-in-aid towards salaries for educational institutions as indicated in the foregoing paragraph, for the third and fourth quarter of the financial year (t) shall be released on receipt of Utilization Certificate for 50% of the grant released during the previous financial year i.e. released during financial year (t-1).

v) The above arrangement as indicated in (i) to (iv) above would provide a “reasonable time” of one year from the date of issue of the letter sanctioning the grants, for submission of full Utilization Certificate in respect of recurring grants. However, the dates for submission of Utilization Certificate in respect of the grant released during the year (t-2) and 50% of the grant released during the year (t-1) to Administrative Department and transmission of the same to the Accountant General (A&E) Odisha would be 1st and 31st December of the year ‘t’.

vi) In respect of non-recurring Central Grants received through the State Budget and utilized through the Departmental Officers or through autonomous agencies, the Utilization Certificate should be submitted to Government of India within twelve months of the closure of the financial year in which the grant was released i.e. the Utilization Certificate to be submitted in the year ‘t’ in respect of the grant released during the year ‘(t-1)’. In case of recurring grant-in-aid, any release in excess of 75% of the
amount sanctioned in the subsequent financial year (t) would be made by the concerned Ministries / Departments of Government of India, only after receipt of Utilization Certificate and annual audited statement in respect of grant-in-aid released in the preceding year (t-1). In order to secure 100% of the central grant allocated for the financial year (t), the Utilization Certificate for the grant in aid received during the year (t-1) should be submitted by the end of the 3rd quarter of the year (t).

vii) If up to date Utilization Certificate i.e. Utilization Certificate in respect of total amount of grant-in-aid released till the year (t-2) and 50% of the grant released during the year (t-1) has not been obtained and furnished before 31st December of the year ‘t’ by the Departmental Officers on whose counter signature or signature the grant-in-aid bill was drawn (the Countersigning Officer or the Drawing & Disbursing Officer) to the Administrative Department and then by the Administrative Department to the Accountant General (A&E) Odisha, the salary of the concerned Officials for the month of January of the year (t) payable on 1st February, of the said year will be stopped until the Utilization Certificate is submitted to the concerned quarters.

viii) The Financial Advisers and Assistant Financial Advisers of the Administrative Departments are required to ensure submission of Utilization Certificate in the above manner before sanction of grant-in-aid during the financial year (t) and issue necessary instructions to the Treasury / Sub-Treasury Officers concerned not to allow the drawal of salary bills of the Officials responsible for obtaining Utilization Certificate from the Grantee Institutions as indicated in Sub Para (vii).

ix) An illustration regarding various time limit for submission of Utilization Certificates has been given in Annexure- VIII

6. Submission of Audited Statement of Expenditure:

i. While sanctioning Central assistance in the shape of grant or loan, the concerned Ministry/Department of Government of India stipulates submission of Audited Statement of Expenditure based on which further release of Central assistance is regulated. It is, therefore, very crucial that the expenditure covering the Central Assistance as well as the State share of expenditure, if any, are correctly booked under the proper Head of Account. It is also equally important that the expenditure incurred is timely reconciled with the accounts maintained by Accountant General, so that there is no difficulty on the part of Accountant General to issue Audited Statements of Expenditure in time for facilitating release of Central assistance. Improper maintenance of accounts and negligence in reconciliation of expenditure in
time/periodically will cause loss of Central assistance to the State Government.

ii. The various steps involved in submission of Audited Statement of Expenditure / Audit Certificate are outlined below.

a. The State Government is required to furnish to the Accountant General the statement of expenditure relating to particular scheme(s) according to major, minor and detailed head of account. The statement so furnished would take into account the reconciled figures at the end of the financial year, so that the figures in the statement would agree with that in Finance/ Appropriation Accounts.

b. According to revised classification, the minor heads represent programmes and sub-heads schemes. Finance Account and Budget Actuals exhibit the break-up of expenditure under three categories - State Plan, Central Schemes, Centrally sponsored Schemes. In such a case a separate statement of expenditure can be prepared sub-head-wise according to the category of each scheme.

c. In case where the expenditure is not identifiable, the statement of expenditure may be furnished according to the Finance Account and Budget Actuals to the extent it is available. Accountant General has to depend on the figures of expenditure available in the Finance Account and the Budget Actuals. In order to obviate such eventualities, it is to be ensured by the concerned Administrative Department and Finance Department that the budget provision is made for each scheme under a distinct sub-head.

d. Where the expenditure is identifiable scheme wise, there is no difficulty in verifying the statement of expenditure by the Accountant General (A&E) and then issue of audit certificate by Accountant General (Audit). Where the expenditure is not identifiable, the verification of statement of expenditure vis-à-vis issue of audit certificate by the Accountant General (A&E/Audit) is conducted on the basis of information available in the Finance Account and the Budget Actuals. In such a case, Ministry of Finance/concerned line Ministry/Department of Government of India may call for such further information from the State Government as may be necessary for final adjustments of central assistance.

e. Loans and grants given to the local bodies and autonomous bodies will be treated as final expenditure for the purpose of computation of plan expenditure for adjustment of plan assistance.

f. In cases where the Accountant General is able to relate the amounts held under objection for want of Detailed Contingent (D.C.) Bills/Utilization Certificate, these may be excluded from the figures of audited expenditure.
while furnishing the certificate. In order to ensure that such exclusion is not warranted, submission of DC Bills against the AC bills is strictly enforced as provided under Subsidiary Rule 261 of Odisha Treasury Code (i.e. 3 months for works and relief expenditure and one month for all other expenditures).

g. In cases where the Accountant General is not able to identify the particulars of individual schemes or category of schemes to which the objections relate, they should qualify the certificate to indicate that scheme wise break-up of amounts held under objection was not available and was being obtained from the Departmental Officers.

h. The above procedure would ensure that the Accountant General would certify the figure of expenditure on the State Plans/Central Plan Schemes wherever they are available and wherever they are not available they would furnish a certificate of expenditure under these heads separately based on the facts available with them.

i. According to the existing arrangement decided in consultation with the Accountant General, the Heads of Department/Department concerned should initiate preparation of statement of expenditure on the plan schemes on which audit certificate is required to be issued. These statements of expenditure which would be based on the actuals in the Finance Account/ Budget Actuals are forwarded to Accountant General (A&E) through the Finance Department. The Accountant General (A&E) after proper verification with reference to the accounts-records maintained in his office, forwards the verified statement of expenditure to the Accountant General (Audit) to enable him to issue audit certificate.

These instructions shall be deemed to be a part of Odisha General Financial Rules.
