GOVERNMENT OF ORISSA
FINANCE DEPARTMENT

Sub:- Introduction of new restructured defined Contribution Pension scheme for new entrants in the State Government Service w.e.f. 01.01.2005.

2. After careful consideration, the State Government have been pleased to decide to introduce the said new restructured defined Contribution Pension Scheme for the new entrants into State Government Service w.e.f. 01.01.2005 in Pensionable Establishment in Finance Department Notification No. 44451/F., Dt.17.09. 2005.

3. The procedures for introduction of new defined contribution pension scheme are as follows :-

i) The new pension scheme will work on defined contribution basis and will have two tiers – Tier- I and Tier- II. Contribution to Tier-I is mandatory for all Government Servants joining Government Service on or after 1.1.2005 in pensionable establishment where as Tier-II will be optional and at the discretion of Government Servant. The employees joining against the pensionable establishment on or after 1/1/2005 in the Government Service become members of the Scheme.

ii) In Tier-I, each employee will pay a monthly contribution of 10% of the basic pay plus dearness allowance from his salary to the contribution pension scheme. An equal matching contribution will be made by the State Government for each employee who
contributes to the scheme. The contribution towards the pension scheme shall be recovered from the salary of the employees every month. The said recoveries will start from the salary of the month following the month in which the Government Servant has joined Service. Therefore no recovery will be effected from the month of joining. For example, for employees joining service in the month of January 2005, deductions towards Tier-I contribution will start from the salary bill of February 2005. No deduction will be made from his salary earned in January, 2005. Similarly, deductions for those joining service in the month of February, 2005 will start from the salary bill of March 2005 and so on.

(iii) In order to implement this, such investment would be made in different categories of schemes approved by Pension Fund Regulatory and Development Authority (PFRDA) which would be a mix of debt and equity.

The fund Managers would give out easily understood information about the performance of different investment schemes so that individual Government employee would be able to make choice about which scheme to choose. In that case Government will not take any responsibility regarding liability of interest.

(iv) As an interim arrangement till funds are transferred to Pension Fund Regulatory and Development Authority, the Accountant-General (A & E) Orissa/Controller of Accounts, Orissa is authorised to appoint an Accounts Officer of his Office as Fund Manager who will regulate the new restructured defined Contribution Pension Scheme.
