Sub: **Regulation of Expenditure out of the Vote on Account for
the year, 2018-19.**

Madam / Sir,

I am directed to say that the Administrative Departments will be authorized to incur expenditure on existing establishment and on-going scheme during the first month of the Financial Year, 2018-19 beginning from 1st April, 2018 to 30th April, 2018 as soon as the Appropriation (Vote on Account) Bill for 2018-19 is passed by the State Legislature and enacted.

2. On removal of Plan & Non-Plan distinction in Budget, the formats of various budget documents have been revised which now distinguishes the budgetary allocation in terms of revenue and capital expenditure and not in terms of Plan and Non-Plan. The State Government budgetary expenditure is now classified into the following four broad categories.

*Revised
Classification
of State Govt.
expenditure*

A. Administrative Expenditure:

- (i) Establishment, Operations & Maintenance (EOM) Expenditure
- (ii) Debt Servicing Expenditure

B. Programme Expenditure:

- (i) State Sector Schemes
- (ii) Central Sector Schemes
- (iii) Centrally Sponsored Schemes

C. Disaster Response Funds :

- (i) State Disaster Response Fund
- (ii) National Disaster Response Fund

D. Transfers from State:

- (i) Union Finance Commission Transfers to Local Bodies
- (ii) State Finance Commission Transfers to Local Bodies
- (iii) Other Transfers

3. It is necessary to expedite the pace of expenditure during the 1st quarter of the financial year as it is the working season before the onset of monsoon. The Departments should, therefore, carefully chalk out a work programme from the beginning of the financial year **and make available the provision made in the Demand for Grants and Appropriations within the overall limit indicated in the Voted, Charged, Revenue and Capital section of the Vote on Account under column (5) and (6) of the Vote on Account, 2018-19 to the spending Units by 31st March, 2018.** The guiding principles and modalities for sanction and release of funds in terms of the **Vote on Account, 2018-19** are specified below.

4. Keeping the above mentioned objective in view, while sanctioning funds, the following guidelines are to be observed.

(i) Expenditure on creation of capital assets and completion of projects; economy in Administrative Expenditure on establishment, operations and maintenance should be given top most priority.

(ii) Funds should be released according to a definite action plan for achieving the quantifiable physical target fixed for the year. The Secretaries of Administrative Departments are to review physical achievement against expenditure by 15th of every month against monthly/quarterly targets.

(iii) Statutory dues viz. Sales Tax/VAT, GST, Municipal Tax, compensation for land acquisition etc. as well as electricity dues, water charges and Rents, Rates and Taxes, both current and arrears, should be cleared on the basis of provision made in the Budget, after verification and scrutiny and rebate where-ever available should be availed. If any delayed payment surcharge is levied, it would be the personal responsibility of the concerned Head of Office/DDO. The Administrative Department, Heads of Department and Head of Office are authorised to purchase pre-paid electricity Card/Meter from the Distribution Companies for advance payment of electricity charges which would be adjusted against the actual consumption.

(iv) 1/12th of the annual allocation under M.V., Telephone, T.E. and Office Expenses should be distributed.

(v) The maintenance expenditure under **Administrative Expenditure {Establishment, Operations and Maintenance (EOM) Expenditure}** for Roads & Bridges, Buildings, Urban Water Supply, Rural Water Supply, Major, Medium & Minor Irrigation, Flood Control work etc. should be limited to 1/12th of the Annual Provision and spent according to the Annual Maintenance Plan formulated by the concerned Administrative Department in consultation with Finance Department. However, the allocation for O & M expenditure in respect of Urban Water Supply, Rural Water Supply, Major, Medium & Minor Irrigation, Flood Control work etc. may exceed the limit of 1/12th of Annual Provision in case of necessity in consultation with Financial Advisors of the Departments subject to the overall limit indicated **in the Voted, Charged, Revenue and Capital section of the Vote on Account under column (5) and (6) of the Vote on Account, 2018-19.**

(vi) Creation of posts would require prior concurrence of Finance Department. **Permission of the Empowered Committee constituted in terms of Finance Department Resolution No. 22989/F., dated 05.08.2014, would be required for filling up of base level vacant posts meant for direct recruitment.** Proposals for creation and filling up of posts should be made only if the posts are essential for delivery of public services or developmental needs.

(vii) **Purchase of new vehicles** would require prior concurrence of Finance Department. It would be considered only on replacement basis and on the certificate of the Secretary of the Department regarding availability of a Driver whose residual service period should be at least equal to the life period of a new vehicle and deposit of the sale proceeds of the condemned vehicle in Government Account. In terms of Finance Department Office Memorandum No. 27037/F., dated 08.10.2015, the Administrative Departments shall be competent to take a decision at their level for hiring of private vehicle for official use in substitution of existing Government vehicle after completion of the process of condemnation and auction of old vehicle and deposit of the sale-proceeds in treasury. However, hiring sought without condemnation of existing vehicles and hiring of vehicles for new offices will require prior concurrence of Finance Department.

(viii) Concurrence of Finance Department would not be necessary for purchase of machinery and equipment if it is within the overall limit of sanction of the Administrative Departments as well as overall

limit indicated in the Voted, Charged, Revenue and Capital section of the Vote on Account under column (5) and (6) of the Vote on Account, 2018-19.

*Priority areas
of expenditure*

5. While releasing funds, priority should be given for programmes/schemes where expenditure is reimbursable, completion of the incomplete projects under the Zero Based Investment Review and State's Own Flagship Programme e.g.- (i) EAP, RIDF, LTIF and other Resource Tied up schemes under Programme Expenditure, (ii) Central Sector Schemes and Centrally Sponsored Schemes, (iii) State Sector Schemes under Programme Expenditure like Biju KBK, Gopabandhu Gramin Yojana, Biju Gram Jyoti, Biju Saharanchal Bidyutikaran Yojana, Biju-Kandhamal O Gajapati Yojana, Madhubabu Pension Yojana, BASUDHA, Jalandidhi Scheme for utilization of ground water in water deficit areas and Construction of Check Dams, Biju Setu Yojana, Mega Lift Scheme etc., (iv) Disaster Response Funds.

*Submission of
Utilisation
Certificate*

6. While scrutinizing proposals for sanction of expenditure during the year 2018-19, the progress of submission of Utilization Certificate in respect of expenditure incurred up to the preceding month and expenditure incurred during 2017-18 should be reviewed by the Administrative Departments. It should be ensured that the implementing agencies utilize the scheme funds transferred to them. **Before releasing money to the implementing agencies it should be ensured that the implementing agencies have utilized the funds transferred to them in the previous years and the same has not been lying unutilized and parked by the implementing agencies in Bank Account. The time limit for submission of Utilization Certificate in respect of grant in aid provided by State Government and grants received from Government of India as indicated in Finance Department O.M. No.21241/F., dated 17.07.2014 is to be scrupulously adhered to.** The Financial Advisors and Assistant Financial Advisors are required to enforce the discipline while concurring in the proposal for sanction of grant-in-aid.

*Even pacing of
expenditure*

7. The flow of expenditure should be evenly paced and commensurate with the revenue receipts. However, it is noticed that expenditure pattern is skewed and back-loaded. Therefore, it is necessary to formulate quarterly and monthly expenditure plans from the beginning of the year to avoid rush of expenditure towards the year-end. In order to achieve this objective, completion of the formalities relating to sanction and release of funds in the early part of the financial year would accelerate the pace of expenditure in the

1st three quarters. The expenditure in the last quarter of the financial year and in the month of March ought to be within 40% and 15% respectively of the Annual Budget provision. This necessitates expeditious sanction and allotment of funds.

*Sanction &
Release of
Funds from
Vote on
Account*

8. Expenditure is to be incurred only on existing establishments and ongoing schemes and programmes. The Administrative Departments are requested to follow the instructions mentioned below, while allocating funds and incurring expenditure in respect of each unit of appropriation out of the provision made in the Demand for Grants and Appropriations and limit indicated in the Vote on Account 2018-19. **It must be ensured that no expenditure on a New scheme/programme is incurred until the Demands for the whole year are passed by the Legislative Assembly and the related Appropriation Bill is enacted.**

However, in case of Calamity Relief, Election expenditure and other emergent expenditure and Programme Expenditure, the limit of 1/12th of the provision can be exceeded within the overall limit of appropriation indicated in the Vote on Account, 2018-19 in the respective Demand for Grants. In all such cases, it can be exceeded in the functional major/minor heads subject to the overall limit indicated in the Voted, Charged, Revenue and Capital section of the Vote on Account under column (5) and (6) of the Vote on Account, 2018-19, with prior concurrence of Financial Advisor/A.F.A of the Department.

 - i) While calculating 1/12th of the Budget provision under Administrative Expenditure, Programme Expenditure (State Sector Schemes, Central Sector Schemes, Centrally Sponsored Schemes) and Transfers from State, the sectoral allocation i.e. provision made under Administrative Expenditure, Programme Expenditure (State Sector Schemes, Central Sector Schemes, Centrally Sponsored Schemes) and Transfers from State should be calculated separately. **Expenditure is to be incurred only on exsisting establishments and ongoing schemes and programmes.**
 - ii) Expenditure for the continuing Central Sector Schemes/Centrally Sponsored Schemes out of the Vote on Account, 2018-19, only should be considered, subject to the limit of Vote on Account and receipt of

18. Cases of expenditure sanction which require prior approval of Finance Department in the light of the guidelines set out in the foregoing paragraphs are listed out at Annexure-I for the sake of clarity.

19. (i) As envisaged under S.R. 242 of O.T.C. Vol.-I, money should not be drawn from the Treasury unless it is required for immediate disbursement. The system of electronic disbursement of Government payments directly to the beneficiary account has been introduced vide Finance Department O.M. No. 27444/F dated 26.7.2012 with the objective of direct payment to the beneficiaries and vendors and to prevent parking of funds in bank accounts by the DDOs. Instances have come to the notice of Government that money drawn by the DDOs is being kept unutilized for indefinite period. This adversely affects the Ways and Means position of the State. Drawal and retention of funds results in deferment/deprivation of the expenditure on priority items which are linked with developmental activities. In order to prevent drawal of money and retention thereof in shape of cash/bank draft, the DDOs must record a certificate on the body of the bills presented after **31st March, 2018** as follows:

"the money drawn in cash/bank drafts up to the period 31.03.2018 has been disbursed by now except Rs. _____ which would be disbursed by 30.04.2018 at the latest".

(ii) Similarly, while presenting the pay bill for **April, 2018** to be paid on or after 01.05.2018, the D.D.O must record a certificate that:

“all money drawn in cash/bank draft up to the period 31.03.2018 have been fully disbursed and no amount is lying un-disbursed with him”.

(iii) While presenting the pay bill for the month of **May, 2018** onwards, the D.D.O. must record a certificate to the effect that:

“the money drawn in shape of cash/bank draft through the bills presented during the previous months has been disbursed except the money drawn in A.C. bills and the amount now proposed for withdrawal in this bill in shape of Cash/Bank draft shall be disbursed within a period of 15 days from the date of actual drawal from the Bank/Treasury”.

(iv) While scrutinizing the bills to be presented during 2018-19, the Treasury Officers must check and ensure that a certificate is recorded on the body of the bill by the D.D.O. concerned to the effect that no amount of money drawn from Treasury/Bank has been kept in deposit account without specific prior approval of Finance Department.

(v) It is observed that the cash balance Certificate is being furnished in a routine manner although huge amounts remain undisbursed for a long period, which seriously affects the Ways & Means position of the State. **The DDOs shall therefore furnish a cash balance report as on 30.04.2018 in the enclosed proforma (at Annexure-II) to the Collector of the District by 08.05.2018. The Collector in turn will report directly to Finance Department (Ways & Means Branch) by 19.05.2018, the name of DDOs who have drawn money up to 31st March 2018 but have not disbursed it by 30.04.2018. A copy of such report should also be endorsed to the concerned Heads of Department.**

(vi) Instructions issued vide F.D. letter No. 27397(425)/F., dt.25.6.92 and Memo No. 53931(442)/F., dt.19.12.92 regarding restrictions on heavy withdrawal of money at a time and its retention in un-authorized Bank accounts must also be strictly followed. **It has been reiterated in Finance Department Circular No. 32215/F., dated 21.11.2014 that if any such instance of un-authorized parking of money is noticed, the concerned DDO shall be liable for disciplinary action under Rule – 15 of the OCS (CC&A) Rules, 1962. As per instructions issued vide Finance**

Department Circular No. 32215/F., dated 21.11.2014, the Heads of Department and Collectors shall cause enquiry into the matter of unauthorized parking of Government money in bank accounts after obtaining information from the Treasury Officers/ Drawing and Disbursing Officers/ Autonomous Agencies of the Districts. In case, instances of irregularity are found, the matter should be reported to respective Heads of the Department/Administrative Department. They should take disciplinary action against the Officer committing such irregularity under intimation to Finance Department and ensure that funds are drawn and transferred to implementing agencies only for actual expenditure and not for parking in Bank Account. The Drawing & Disbursing Officers shall strictly follow these instructions.

Administrative Departments are to sanction and release funds for expenditure out of the Vote on Account, 2018-19 in accordance with the aforesaid instructions.

Yours faithfully,
