1	CHAPTER – II	Out Come Budget for 2019-20 Programme Exenditure (Table -1)	20-24
		Programme Expenditure 2020-21 & 2021-22 (Table-2)	25-29
		Administrative & EOM expenditure 2019-20 (Table-3)	30-40
		Administrative & EOM expenditure 2020-21 & 2021-22 (Table-4)	41-52
		Abstract of Chapter-II (2019-20)	53-59
2	CHAPTER-IV	Financial and Physical Performance 2017-18 (Programme expenditure) (Table-5)	312-315
		Financial and Physical Performance 2017-18 (Administrative & EOM expenditure) (Table-6)	316-322
		Financial and Physical Performance 2018-19 (Programme expenditure) (Table-7)	323-327
		Financial and Physical Performance 2018-19 (Administrative & EOM expenditure) (Table-8)	328-335
3	CHAPTER – V	Financial Review	336-349
4	CHAPTER – VI	SC/ ST Budgeting for the year 2019-20	350
		Gender based budgeting 2019-20	351

EXECUTIVE SUMMARY

The Outcome Budget broadly indicates physical dimensions of the financial outlays indicating the expected intermediate output & outcomes and this will serve as a tool to monitor with objectively verifiable indicators.

The Outcome Budget 2019-20 broadly consists of the following chapters.

Chapter-I : Brief introduction of the functions, organizational setup, list of major programmes /schemes implemented by the Department, its mandate, goals and policy frame work.

Chapter-II : Tabular format(s) (statement) indicating the details of financial outlays, projected physical outputs & projected outcomes for 2019-20 under Programme expenditure (State / Centrally sponsored scheme) and Administrative and EOM expenditure with list of works.

Chapter-III : The details of reforms measures and policy initiatives, if any taken by the Department during the course of the year.

Chapter-IV : Scheme wise /Programme wise achievement in terms of financial and physical targets fixed in the year 2017-18 & 2018-19 has been provided in the tabular form.

Chapter-V : Financial review in shape of actual of the year preceding the previous year, Budget Estimate and Revised Estimates of the previous year, Budget Estimate of the current financial year.

Chapter-VI : Highlights the outlays provided for the schemes benefiting ST and SC groups showing flow of SCP and TASP in the budget 2019-20.

As assigned by the State Government, Public Works like construction of roads, bridges, Cross Drainage work and Nallahs, buildings including public health and electrical works etc are being executed by the Works Department. As road communication is the key element for the economic development of the State, this Department gives special emphasis to this sector.

This Department looks after road totaling length of km as detailed below:-

	Length in km
National Highways	4848.058
State Highways	4143.053
Major District Roads	2811.784
Other District Roads	<u>18835.008</u>
	30637.903 km

This Department has also an important role for improvement of buildings infrastructure in the State. As a whole for execution all these projects in the State, budget provision under different schemes are being made by the Department regularly.

The Outcome Budget, 2019-20 of Works Department as has been proposed in this booklet indicates physical dimensions of the financial outlays showing the expected probable outputs. The outcome budget will be a tool to monitor not just the probable physical “outputs” that are more readily measurable but also the “outcome” which are the end objectives.

Implementation, Monitoring and Evaluation Mechanism:

During the course of execution of different works / projects, Works Department observes the total monitoring mechanism for timely and quantitative completion of the works.

- I. Inbuilt monitoring mechanism in the guidelines of each scheme of the Department so as to ensure that the objectives of the schemes are achieved by their proper implementation.
- II. Distinct measure in the monitoring system is carried out by holding review meetings at State level taken up by the Chief Engineers with the Superintending Engineers and Division Officers on a monthly basis. Similarly, Superintending Engineers also conduct reviews of Executive Engineers and Assistant Engineers pertaining to the Circle concerned suitably. Progress of implementation of different construction works are reviewed and future plans are discussed.
- III. A report on physical and financial progress of the project constructions activities is generally submitted by the Divisional Officers / Superintending Engineers to the Chief Engineers on a monthly basis which is analyzed at State level for monitoring purpose.
- IV. Quality Monitoring Personnel (QMP) have also been engaged at the Government level for 3rd party evaluation of execution process and quality as well.
- V. It's a duty bound job of every echelon of the entire hierarchy of the Department to conduct field visit, site inspection with objectives to ensure effective monitoring system and speedy execution of the works.
- VI. Submission of utilization certificate, Reimbursement Claim, Audited Accounts & other requisite reports.
- VII. The review meetings at all levels are being taken up through Online Project Monitoring Mechanism (e-Nirman).

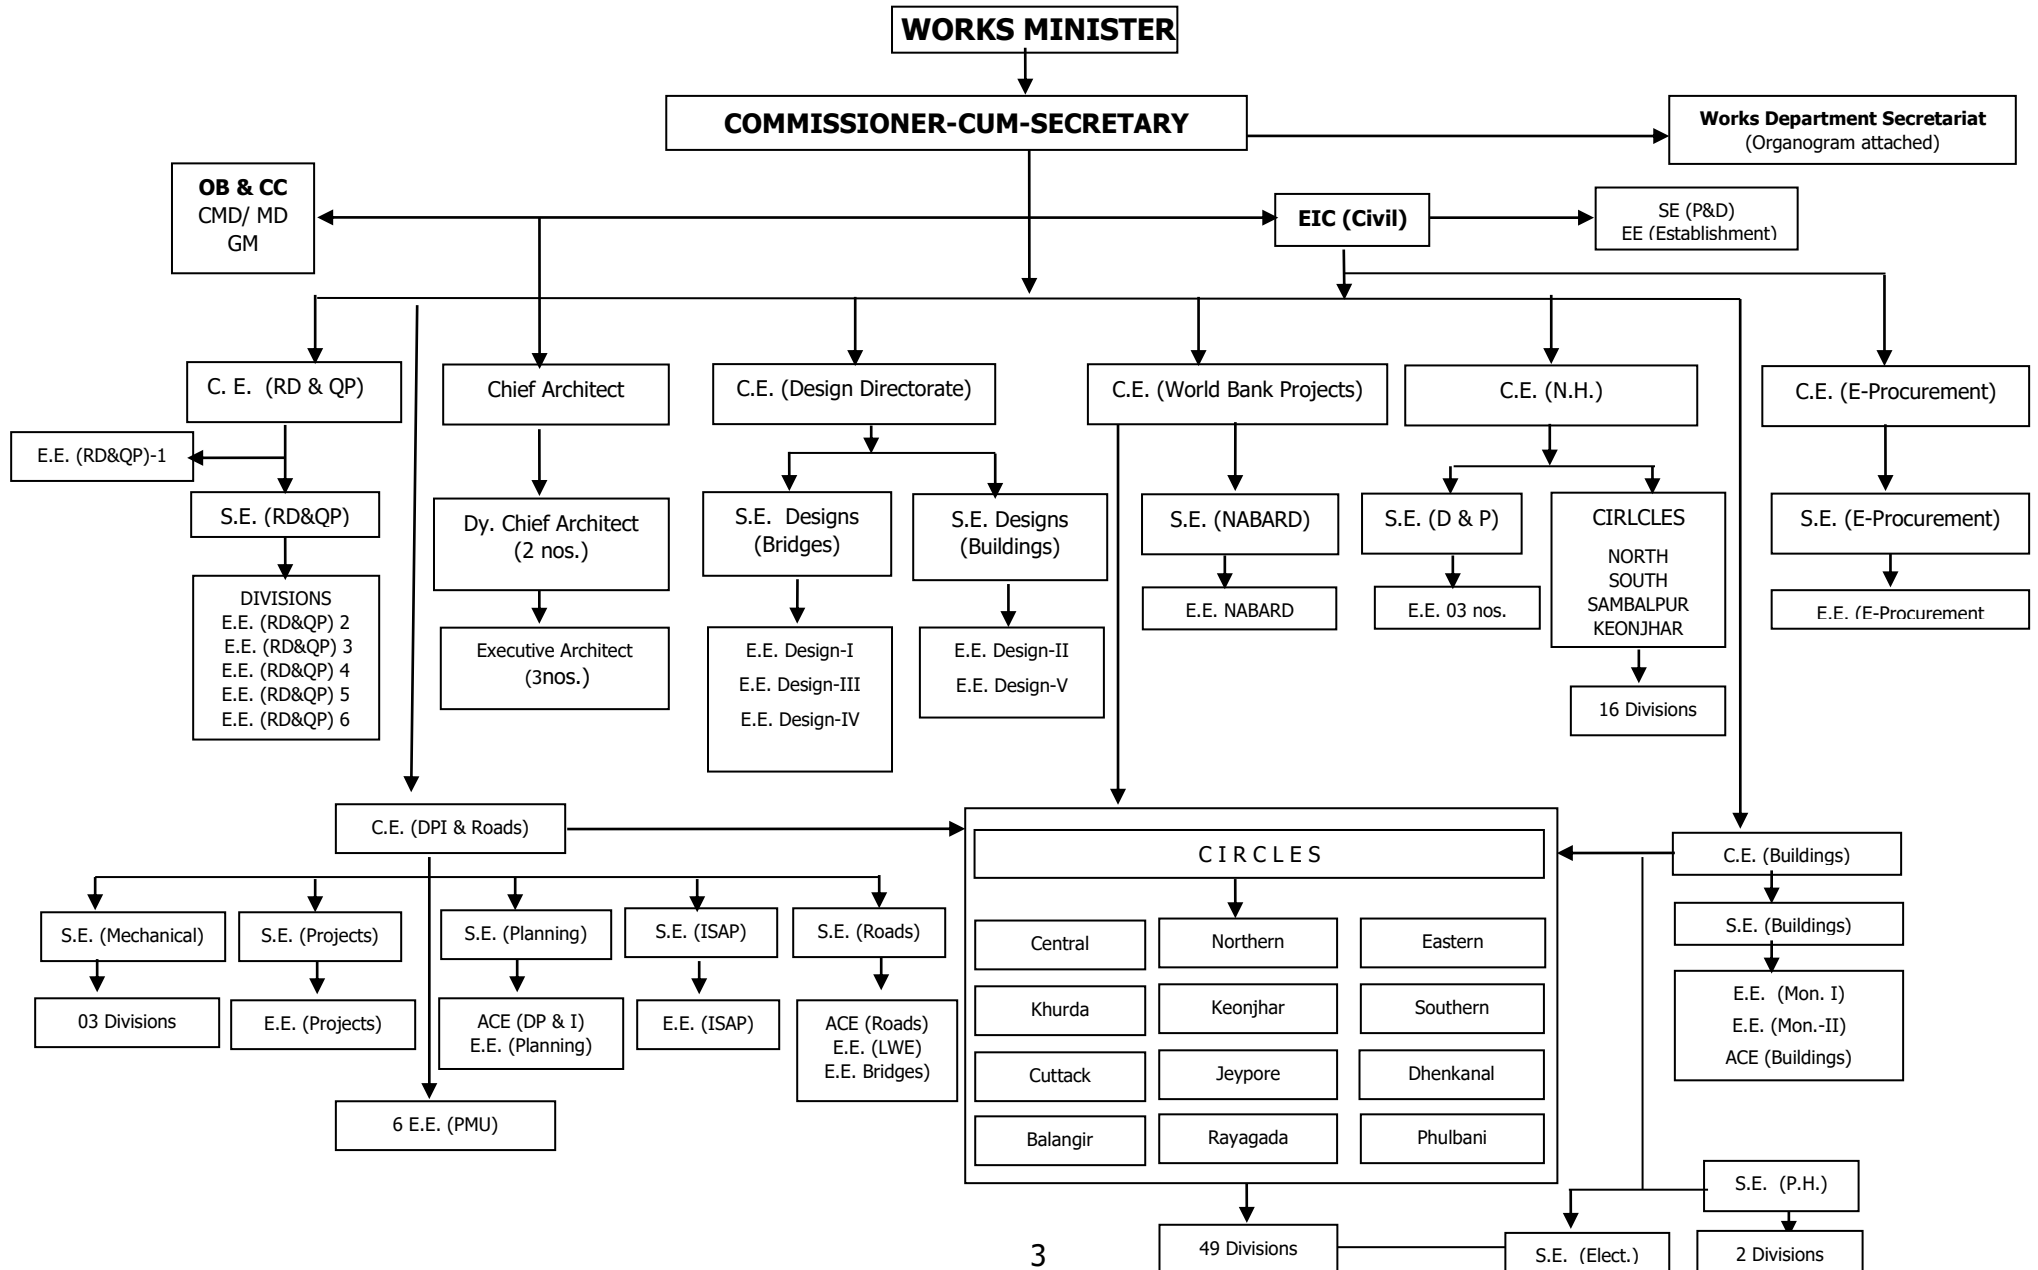

Public Information System :

Measures as indicated below are taken at the time of execution of each project under Public Information System adopted by this Department.

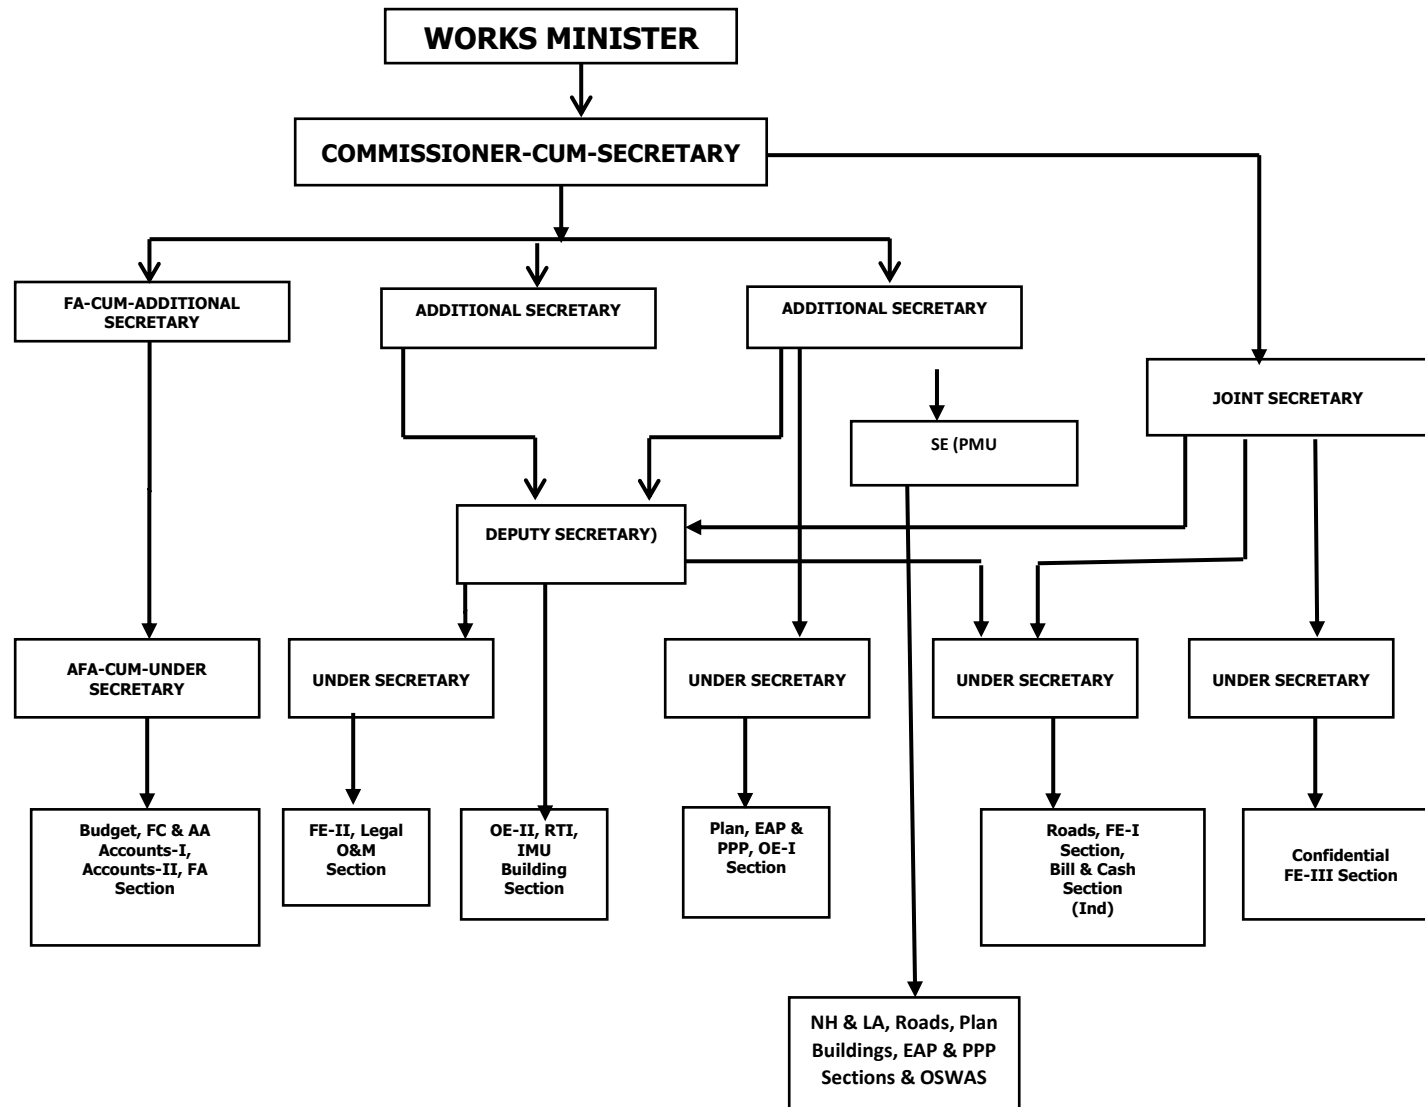

- I. Display Boards showing important features of the project are generally fixed at every site.
- II. Works taken up mostly on tender basis which are widely circulated through National / Local dailies also through Government Web sites which serve as an important tool for the public dissemination.
- III. Works Department website also features as an important tool displaying all the activities for public exposure.
- IV. E-procurement ensures transparency, efficiency & economy in the tender process.
- V. Promoting the concept of social audit and accountability.
- VI. The RTI based website provides information for availability to public.

CHAPTER-I

ORGANOGRAM OF WORKS DEPARTMENT

WORKS DEPARTMENT SECRETARIAT ORGANOGRAM

INTRODUCTION

Organizational Set up :

Works Department is headed by the Commissioner-cum-Secretary to Government. Besides there are 2 Additional Secretaries, 1 F.A.-cum-Additional Secretary, 2 Joint Secretaries, 2 Deputy Secretaries, 8 Under Secretaries and 1 A.F.A.-cum-Under Secretary in the Department. The field formation of Works Department has one Engineer-In-Chief (Civil), 7 Chief Engineers, [C.E., (DPI & Roads), CE, (Buildings), C.E., (NH), CE, (World Bank Project), CE, (Directorate of Designs), CE, (RD & QP) and Chief Engineer-cum-Chief Manager, (Technical), State Procurement Cell, 1 DFO & 2 F.A. in the O/O the E.I.C.(Civil) and 1 Chief (Architect) at Heads of Department level. There are 12 (R&B) Circles, 4 N.H. Circles, 1 Mechanical Circle, 1 Electrical Circle, 1 P.H. Circle & 1 RD&QP Circle in charge of Superintending Engineers, who are responsible to the concerned Chief Engineers for the administration and general professional control of the public works of the Department within their Circles. The Executive Engineers at the Divisional level are the executive heads of the Administrative Units of the Department. There are 49 (R & B) Divisions, 06 (RD & QP) Divisions. 16 N.H. Divisions, 4 General Electrical Divisions, 3 Mechanical Divisions and 2 GPH Divisions in the State. Also, there are 237 Sub-Divisions under the control of Sub-Divisional Officers in the rank of Deputy Executive Engineer / Assistant Executive Engineer who assist concerned Executive Engineers in discharging their duties. Besides, OB&CC Ltd is also a corporation headed by Chairman-cum-Secretary, Works Department and one MD (CE cadre) functioning under the Department.

Functions of the Department :

Road Sector:

Development and maintenance of an extensive road network is a major pre-requisite for development. Road communication is a key element for economic development of the State. The focus, therefore, is to improve the living condition of rural people by providing all weather road communication to inaccessible areas and upgrading the existing road network. The development of Agriculture, small scale and cottage industries, extension of public distribution networks, improving access to health care and education, depend to a large extent, upon stable all weather road communication. Above all, good roads improve the accessibility of the rural areas to markets and facilitate better delivery of services. Therefore, the priority of the State Government in this sector is to provide all weather road linkages to rural settlements.

Building Sector :

Roads are not, of course, the only thing that matter – the other facets of development activities relate to construction of new building infrastructures / maintain the existing one and above all planning for the upcoming building projects by tapping funds from various sources i.e. the State Budget / Central schemes / Deposits etc. Despite appreciable increase in the magnitude of the new building constructions and related infrastructure backlogs are fairly good in number.

These challenges are being taken care of either through a long term program or short term strategies synergizing the provision of additional infrastructure facilities starting from water supply, power supply to the fire fighting strategies, lightning arrester facilities, recharging ground water potential &

resolving environmental issues through green buildings. Moreover, this organization in constant touch with the other Government Departments while constructing their buildings throughout the state to cater to the actual needs of the different user Departments and address the connected issues starting from land acquisition to the completion and handing over of the building for habitation.

The rapid addition of new building infrastructures across the various Government Departments poses a challenge to complete the projects in a scheduled time line. For this, formulation of a comprehensive plan programme is required to ensure steady flow of funds. The entire function of Govt. relating to new constructions / maintenance of building infrastructures covering the entire state other than the rural area is carried by this wing as per the rules of business.

1. Planning & Budgeting:-

The Department undertakes -

- a) Continuous need based planning,
- b) Project Prioritizing & Appropriate funding.

2. Engineering Applications :-

The Department has developed the following engineering applications -

- a) In-house preparation of site-specific Architectural drawings & Structural design.
- b) Processing the Architectural planning and the Structural design in close coordination to develop effective Building System.
- c) Adopting latest Indian Standards.
- d) Holistic planning in integrating other ancillary items i.e. Electrical and Public Health Installations.
- e) Approach towards sustainable development of human settlement has also been taken care of. **Roof top rainwater harvesting structure** is a part of the building construction which in other words contributes towards recharging the ground water potential making a sustainable human settlement. Use of **fly ash brick** in place of conventional CB / KB brick is being encouraged.
- f) Provision of **barrier free access** to the buildings benefits the physically challenged persons of the society to stand on equal footing with other Construction of disabilities toilets in important buildings is also another dimension to cope with the matter.
- g) Designing Green Buildings.
- h) Widening and strengthening of important highways to accommodate the growing traffic.
- i) Improvement of horizontal and vertical curves and road alignments for smooth flow of traffic & periodical renewals to roads.
- j) Adoption of standards and specification prescribed by Ministry of Road Transport and Highways (MoRT&H) for improvement of roads and construction of bridges.

3. Updating of Schedule of Rates & Capacity Building: -

- a) Up-dating Schedule of Rates – It is required to continuously update the schedule of rates to take into account the increase in the price of material and labour over a period of time which ensures preparation of realistic cost estimates.

-
- b) Capacity Building – Apart from deputation of engineers to various training institutes, corporate bodies, technical institutions like Engineering Colleges, in-house training is imparted through the Research Development & Quality Promotion Cell, Bhubaneswar to create greater awareness among the engineers about the latest technologies and their applications. This ensures better quality assurance for the works executed by them.

4. Transparency: -

In order to make the procurement process more efficient and transparent e-tendering has been adopted through a dedicated web portal <http://tendersodisha.gov.in>.

The exercise is primarily meant for converting financial outlays into measureable and monitorable outcome. It is a performance measurement tool that helps in better service delivery, decision making, evaluating programme performance and results & improving programme effectiveness. The outcome Budget is also aimed at changing the outlook of the agencies entrusted with the responsibility of programme execution and implementation. The idea is to make the programme implementing agencies more result oriented by shifting the focus from “Outlays” to “Outcomes”.

A) PROGRAMME EXPENDITURE

DIFFERENT SCHEMES & PROJECTS IMPLEMENTED BY THE DEPARTMENT

STATE SECTOR SCHEME

1. Rural Infrastructure Development Fund (RIDF) with assistance from NABARD:

Many Infrastructure Project started earlier were lying incomplete for want of resources. Although there is urgent need of creating adequate employment opportunities in rural areas through Development of Infrastructure, earlier there had been virtually no Institutional arrangements for financing Rural Infrastructure. Against this background Government of India in the year 1995-96 announced the Schemes for setting up of Rural Infrastructure Development Fund (RIDF) to be operationalized by NABARD for financing the on-going as well as new Infrastructure Projects. NABARD Loan Assistance under RIDF has been a major source of funding for the road and bridge projects of the State. The list of proposal of the projects for NABARD Assistance is placed before the High Power Committee (HPC) on RIDF constituted under the Chairmanship of D.C.-cum-Additional Chief Secretary for clearance. After approval of Government to the projects cleared by the High Power Committee, the detailed estimates of the projects are sent to NABARD through Finance Department for sanction. On getting the projects sanctioned by NABARD, the process of implementation of the projects starts after completion of the required formalities.

Till end of 2017-18, total 418 no. of road projects with length of 5782.000 km and 206 no. of bridge projects have been taken up under this scheme out of which 378 road projects total covering to 5514.000 km road length in different stretches and 172 nos. bridge projects have been completed.

During 2018-19, 01 nos. of Bridge projects & 29 no. of road projects covering a length of 356.36 km have been sanctioned. During the year 2018-19, 08 nos. Bridge projects & 18 no. road projects covering a length of 152.00 km in different stretches have been completed. Budget provision of ₹.500.00 crore has been made for 75 nos. ongoing projects (26 Bridges & 49 Roads) and for 95 nos. projects in pipeline (35 bridges & 60 roads). There is target for completion of 6 no. of Bridges & completion of 19 no. of road project covering total length of 200.00 km in different stretches during 2019-20.

2. IMPROVEMENT OF STATE HIGHWAYS (SHDP):

During the year 2013-14, Government had introduced a new scheme "State Highways Development Project (SHDP)" for development of all State Highways in the State to Double Lane Standard. The projects costing more than ₹50.00Crore under the scheme are executed in EPC contract & projects costing up to ₹50.00Crore are executed in P1 Contract. Accordingly, State Cabinet have approved for development of 2158.26Km of State Highways to 2-Lane Standard with an outlay of ₹.3000.00 Crore (with positive variation of 10%).

By the end of March, 2019, action has been taken for 2-Lanning work for 1955.650 Km of State Highways with project Cost of ₹3368.00 Crore. Out of which, 1719.600 Km of road length has been improved to 2-Lane standard with an expenditure of ₹2759.21 Crore by end of 2018-19.

A sum of ₹200.00Crore has been provided in Annual Plan, 2019-20 for ongoing works with completion of 150.00Km of road length & to take up balance available length of State Highways.

3. Construction of North-South Corridor (Biju Expressway):

Government of Odisha has contemplated to develop a four-lane road of length 639.089 Km namely "North-South Corridor (BIJU EXPRESSWAY)" connecting Jagdalpur to Rourkela through western Odisha and KBK districts of the State. Out of total 639.089 Km of Biju Expressway, 182.255Km of NHs is being improved & 163Km of SH-10 (i.e. Sambalpur-Rourkella road) has been completed to 4-lane standard through PPP mode by the State Government.

The balance 293.834Km of the Expressway is taken up under Biju Expressway Scheme & the total project Cost has been pegged at ₹3630.00Crore which includes Land Acquisition Cost. The projects have been taken up through P-1 mode of contract. For better monitoring of the project, Supervision Consultant has been engaged for this Corridor. The roads will be maintained by Works Department after expiry of defect liability period. State Cabinet has approved the Construction of Biju Expressway Scheme during 2015-16. The Project Corridor is targeted for completion by 2020.

By the end of 2018-19, action has been taken for all 293.834Km (4-lanning -117.955Km & 2-laning- 175.879Km) of the Expressway. By the end of 2018-19, 75.90 km of 4 laning and 107.70 km of 2 laning has been completed out of 293.834 km with cumulative expenditure of ₹499.41 Crore including cost of land Acquisition.

During 2019-20, there is Budget Provision of ₹50.00 Crore for ongoing projects with a target for completion of 50.00 Km of road length.

4. Capital Road Development programme (CRDP):

Due to rapid growth of traffic, it has been imperative to widen & improve the road net work of the Capital City. During 2016-17, there was Budget provision of ₹20.00Crore under this scheme. By the end of March, 2017, during 2016-17, works has been taken for improvement of further length of 13.39Km of road length with a cost of ₹47.61 Crore. By the end of March, 2017, during 2016-17, 7.06Km of road length has been improved with an expenditure of ₹20.00Crore.

Similarly, during 2017-18, there was Budget provision of ₹40.00 Crore under this scheme. By the end of March, 2018, during 2017-18, works has been taken up for construction of 2Nos. of Bridges & improvement 26.71Km length of road with a cost of ₹107.63 Crore. By the end of March, 2018, during 2017-18, 7.64Km of road length has been improved with an expenditure of ₹40.00 Crore.

During 2018-19, there was budget provision of ₹50.00Crore under the scheme. During 2018-19, by the end of March,2019, action has been taken for improvement of further 42.05 Km of Capital roads including alternate road to Jaydev Vihar-Nandankanan road, 4Nos. of Bridges & 2nos. of Foot Over Bridges with a cost of ₹202.75 Crore. By the end of March,2019 during 2018-19, expenditure of ₹50.00Crore was made with improvement of 15.16Km of road length & completion of 2nos. of Foot Over Bridges.

During the year 2019-20, there is a budget provision of ₹50.00 Crore under the Scheme for completion of ongoing projects & to take up new projects.

5. Fly Overs, Under Pass & ROB Projects:

Works Department is providing funds in Budget out of State Plan (Others) for construction of ROB's for easing of traffic congestion. 10 nos. of ROB's i.e. 1) at Lanjipalli in Berhampur, 2) at Basanti Colony Rourkela,3) at Punama Gate in Bhubaneswar, 4) Randhia in Bhadrak, 5) ROB at Haladipadar , 6) ROB at Malatipatpur, 7) ROB at Managovindpur in Jajpur District, 8) ROB at Simulia in Dhenkanal District, 9) ROB at Mancheswar level crossing, Bhubaneswar& 10) ROB at Gosani-Nuagaon(L.C. No.312) in Ganjam District have been completed by end of 2017-18.

During 2018-19, 7 Nos. of ROB's i.e. 1) ROB at Lingaraj Temple, Bhubaneswar, 2) ROB at Sahidnagar, 3) ROB at Sadasivpur (Ranaposhi) in Dhenkanal district , 4)ROB at Berhampur-Gopalpur (LC No.306),5)ROB at Rourkela-Panposh section(L.C.No.211), 6) ROB at Soro, Balasore and 7) ROB at Tamulia,Balasore have been completed.

Further, 21 (twenty one) no. of ROB's i.e. (1) ROB at L.C. No.CT-81 between Budhapanka -Talcher Railway station in Angul District, (2) ROB at Balugaon , Khurda District, (3) ROB at Kudiary, Jatani, Khurda District (4) ROB at L.C. No309 between Lanjipalii & Engineering School, Ganjam District (5) ROB at Titilagarh - Muribahal, Bolangir District (6) ROB at LC No.212 in between Rourkella- Panposh in Sundargarh District,(7) ROB at L.C. No.79 between Balasore-Nilagiri Road in Balasore District (8) ROB at L.C. No.80 between Balasore-Nilagiri Road in Balasore District (9) ROB at L.C. No.52 between Jaleswar-Amarda Road in Balasore District (10) ROB at L.C. No.45 between Jaleswar-Lakhamannath Road in Balasore District (11) ROB at L.C. No.JT-60 near Barpali in Baragarh District(12) ROB at LC No.178 on Cuttack- Baranga road in Cuttack District (13)ROB at LC No.174 near Tangi in Cuttack District(14) ROB at LC No.CP-2 on Puruna Jganath Sadak in Cuttack District(15)ROB at LC No.JT-25 near Khetrajpur in Sambalpur District (16) ROB at LC No.JT-26 between Jharsuguda-Titilagarh section in Sambalpur District(17)ROB at LC No.RBK-60 between Barajamda – Barbil Station in Keonjhar District(18) ROB at LC No.RBK-61 between Barajamda – Barbil Station in Keonjhar District (19)ROB at LC No.214 between Panposh – Kalunga Stations in Sundargarh District(20)ROB at LC No.222 at Rajgangpur Yard in Sundargarh District and (21) ROB at JT-1 & JT-2 near Sarbahal in Jharsuguda District are in progress.

Tender for 04 nos. of ROB's are in process & 50 nos. of ROB's are in pipeline.

There is target to complete 04 Nos. of ROB's during the year 2019-20. There is Budget Provision of ₹ 87.74Crore during 2019-20 for ROB Projects.

The Fly over at Laxmi Talkies Square, Sambalpur is in progress. Besides, the Department has initiated bidding process for the 3 Km long elevated corridor (fly over) near Joda town including improvement of the road stretch of Joda - Bamberi Section in the district of Keonjhar at a total project cost of ₹ 228.00 Crore. The elevated corridor shall be quite useful for the mineral carrying traffic in the region.

6. Ring Road & Bye Passes:

Jajpur Bye Pass & Magalpur Bye Pass in Jajpur District, Bolangir Bye Pass in Bolangir District, Manamunda Bye pass in Boudh District, Kamakhyanagar Bye Pass, and Kankadahada Bye Pass in Dhenkanal District, Berhampur ring road in Ganjam District have been taken up & are in progress. There is proposal to take up of 4no. of Ring Roads such as 1) Sambalpur Ring Road, 2) Bolangir Ring Road 3) Baripada Ring Road in Mayurbhanj District 4) Bhawanipatna Ring road in Kalahandi district. Further, there is proposal to take up Bye Pass road to Kendrapara Town in Kendrapara District.

7. Core Road Network (CRN):

In order to provide better focus on management of road sector, Government in Works Department put in place Core Road Network (CRN) system pertaining to roads having high traffic density, economic & tourism importance and such other roads catering mining and industrial areas of the State. Government have declared 31 no. of roads covering 1610.250km as Core Road Network (CRN) vide Works Department, Government of Odisha Notification No.2669 dt.27.02.2009.

An amount of ₹20.00 Crore Budget provision was made during the year 2017-18. By the end of March, 2018, expenditure of ₹16.55 Crore was made with improvement & strengthening of 18.40Km of road length.

During 2018-19, there was budget provision of ₹20.00 Crore under the scheme. and during year 2018-19, 3 No. of new projects. of Bridge Projects & 27.60Km road length has been taken up for improvement with a cost of ₹58.14Crore. By the end of March,2019, during 2018-19, expenditure of ₹18.00Crore has been made with improvement of 28.62Km of road length & completion of 2 Nos. of bridges.

During the year 2019-20, there is a budget proposal of ₹25.00 Crore under the Scheme for completion of ongoing projects & to take up new projects.

8. Roads & Bridges under State Plan (Others):

During 2018-19, by end of March, 2019, 31 Nos. Bridges,7Nos. ROB's & improvement of 857.87 Km of road length have been completed under State Plan (Normal) with an expenditure of ₹1242.69 Crore against the target of 23 Nos. Bridges, 5 nos. of ROB's & improvement of 530.00 Km of road length.

During 2019-20, there is a target to complete 25 Nos. of Bridges, 4 no ROB, 1 no flyover and Improvement of 800.00 km length of road.

9. Augmentation of Basic Amenities & development of Heritage and Architecture at Puri (ABADHA):

State Government in the Budget, 2018-19 has provided ₹30.00Crore in road sector for Augmentation of Basic Amenities & Development of Heritage and Architecture at Puri(ABADHA) which includes Land Acquisition Charges/Re-habilitation& Resettlement/ Road Improvement for providing better facilities in & around Shree Jagannath Temple, Construction of Habisiyali Centre and Multilevel Parking place at Puri. By the end of March, 2019, action has been taken for 4-laning of 9.86Km of road length in 4 stretches with a cost of ₹38.17Crore. By the end of March,2019, expenditure of ₹8.38Crore has been made under the scheme with completion of 0.30Km of road length.

During 2019-20, there is a Budget provision of ₹10.00Crore under the scheme for road sector.

10. PPP Projects.

The State Government had promulgated the State Level PPP Policy in 2007 to facilitate Infrastructure Development in the State under PPP mode. In recognition to the state PPP policy, the Works department has taken various initiatives for improvement of road sector infrastructure projects in PPP mode. The department's initiatives for enactment State Roads Tolls Act in 2010 and State Roads Toll Rule in 2011 are some noteworthy example of such activities for effective operation of PPP Projects in Highway Sector.

The ongoing PPP road project namely four laning work of Sambalpur - Rourkela section of SH-10, covering 163 Km length, is one of the lifeline road project of Western Odisha and is a major part of the "Biju Expressway". The construction work for this mega PPP road sector project of Works department currently being executed by the PPP Developer L&T IDPL with a Total Project Cost (TPC) of ₹1292.56 Crore, has been completed & opened to traffic. This project has been approved by the Ministry of Finance, Government of India under VGF scheme (Viability Gap Funding) wherein Government of India shall provide VGF grant of ₹258.51 Crore during the construction stage. The balance amount of VGF amounting to ₹206.79 Crore shall be provided by the Government of Odisha during the operation stage. The department has also taken all steps to address the public demand and various safety issues by incorporating various new structures along the project corridor such as pedestrian underpass, vehicular underpass / over pass, rotary, subway etc. with State Govt's own funding for an amount of ₹137.566 Crore.

The Works department in close coordination with NHAI is finalizing the detail project report for another mega highway project, namely Capital Region Ring Road (CRRR) for implementation in PPP mode. The subject project is a proposed bypass road to the existing NH-5 aiming to bypass the Kolkatta & Chennai bound traffic entering the Capital city of Bhubaneswar. The estimated Total Project Cost (TPC) for this important connectivity is of the order of ₹1238 Crore. It has been agreed in principle that CRRR project shall be implemented by NHAI and State Government shall facilitate all logistical supports, which includes acquisition of Land. The cost for land acquisition, utility shifting, tree cutting and other environmental mitigation measures shall be about ₹560 Crore.

An expenditure to the tune of ₹64.99Crore has been made by the end of March,2019 during 2018-19 for Land Acquisition, R&R, Shifting of utilities, O&M & other expenses for the PPP road sector project of Sambalpur-Rourkela road out of the budget provision of ₹80.00Crore. There is budget proposal of ₹65.00Crore for the year 2019-20.

11. ODISHA STATE ROAD PROJECT (OSRP)

State Government is implementing development of identified road infrastructure with investment of ₹1411.45 Crore up to 30th June 2016 under Odisha State Road Project (OSRP) with World Bank funding of ₹984.42 Crore and State Government funding of ₹427.03 Crore. These road corridors are i) Bhawanipatna - Khariar road corridor (68.00 km)

i) Anandapur – Bhadrak - Chandbali road corridor (88.00km)

ii) Berhampur - Taptapani road corridor (41.00 km)

iii) Jagatpur - Chandbali road corridor (106.00 km)

Widening, strengthening and selective realignment of existing roads to double-lane standard is being completed with implementation of appropriate rehabilitation & resettlement and mitigation of environmental impediments. In addition to Corridor development step to carry out Institutional strengthening, innovative measures have been taken for capacity building of Works Department. Steps have been taken to implement Asset Management System (AMS) to promote rational and efficient allocation of funds in road sector.

After June 30, 2016, the World Bank loan is closed and the balance funding is now being met out of Budget Provision under State plan. There was Budget Provision of ₹150.00 Crore during the year 2018–19 and 46.50 km length of road has been improved with expenditure of ₹150.00 crore by end of March 2019. Total 300.50 km length of km has been improved by end of March 2019 out of 304.60 km.

There is a budget proposal of ₹75.00 Crore for OSRP for the financial year 2019–20 for completion of ongoing projects.

12. Economic Importance Scheme under E & I Scheme:

Government of India have sanctioned 10 nos. of Road Projects under the scheme with 50:50 Share of State Govt. and Central Govt. with an estimated cost of ₹375.25 Crore till end of March, 2014. All 10 no. of projects have been completed by the end of 2015-16, and 197.99 km road length has been completed with an expenditure of ₹446.77 crore.

1No. of road project covering a length of 29.00Km with estimated cost of ₹30.94 Crore (revised cost of ₹25.56Crore) sanctioned during 2015-16 by MORT&H, Government of India has been completed.

Further 2 nos. of road projects covering a length of 44.77Km with estimated cost of ₹133.72Crore sanctioned during 2017-18 by MORT&H, Government of India are in progress.

As the expenditure for projects are being made through DPP Mode by MORT&H, Government of India, no Budget provision under the Scheme has been made in the State Budget.

13. Inter State Connectivity under E & I Scheme:

Government of India have sanctioned 7 nos. of Road Projects under this scheme with an estimated cost of ₹57.21 Crore with 100% Central Share till March, 2013. All the 7 nos. of projects have been completed with an expenditure of ₹57.94 Crore with improvement of 113.390km against the Central Assistance received of ₹55.35 Crore by the end of March,2015.

3 Nos. of road projects namely (i) "Improvement to Vizag - Jeypore road (SH) from 173/000 Km to 198/000 km" in Koraput District sanctioned with a cost of ₹.55.01Crore for improvement of 25.00Km of road length sanctioned during 2013-14,(ii) "Widening & strengthening of Chipat Junction to Baripada-Baghara road(ODR) from Km.14/000 to Km.39/000 " in Mayurbhanj District sanctioned with a cost of ₹52.43Crore for improvement of 25.00Km of road length sanctioned during 2014-15 & (iii) "Widening & Strengthening of Kukurbhuka-Laxmiposh-Bihar-Boarder road(MDR-28) from Km 0/000 to Km 17/700" in Sundargarh District sanctioned with a cost of ₹ 21.57Crore for improvement of 17.70Km of road length sanctioned during 2015-16 have been completed. The expenditure for these projects is made out of MoRT&H, Budget in DPP Mode of payment.

Further, 2Nos. of projects sanctioned during 2017-18 i.e.1) Widening & Strengthening of Baripada- Bamanaghati road SH-50 (From Bisoi to Rairangpur) to double lane with paved shoulder from Km.0/00Km to26/00Km in Mayurbhanj District with a Cost of ₹83.86Crore & 2) Widening & Strengthening of Gopalpur-Chhatishgarh border road to double lane with paved shoulder from Km.4/700Km to 28/960Km in Sundargarh District with a cost of ₹ 64.70 Crore are in progress.

During 2019-20, Budget provision has not been made as the payments for the projects sanctioned under the Scheme is being made through DPP Mode by MORT&H, Government of India with 100% Central share.

14. Vijayawada – Ranchi Corridor

State Government was constantly thriving for development of the Vijayawada – Ranchi Corridor within Odisha portion so as to facilitate development of Naxal prone areas in order to bring the inhabitants who are mainly poor tribal's to join the main streams of Society. Development of this corridor is anticipated to reduce left wing extremism activities in those areas. Besides, on implementation of this project, a through connection will be available from Vijayawada to Ranchi with accessibility to the vulnerable areas, which will open the new prospect of development in these areas, equitable development of the un-development areas presently deprived of basic necessities and removal of the regional disparities with improved road connectivity.

The total length of the Corridor passing through Odisha is 1200.27Km, out of which 239.30Km of road length National Highways are of 2-lane roads. Out of balance 960.97Km, 774.22Km is being executed by State R&B wing with a cost ₹1520.45 Crore from different sources of funding like One Time ACA, Central Road Fund, Special Planning Commission Allocation, MORT&H Budget under V.R.Corridor, LWL , SARCA, State Plan(Normal), World Bank Assistance & balance length of 186.75Km is being executed by State NH Wing with a cost of ₹620.37 Crore funded by MORT&H, Government of India as out

of 960.97Km of state roads under V.R.Corridor. 917.38 Km has been declared as National Highways leaving balance length of 43.59Km (Tatakaposhi to Deogarh).

Out of 774.22Km of road executed by State R&B Wing, 746.02Km length of road have been completed with an expenditure of ₹1288.86 Crore & 179.48Km have been improved by State NH Wing out of 186.75Km with an expenditure of ₹429.35 Crore by end of March, 2019. Thus total, 925.50 Km has been completed out of 960.97Km with an expenditure of ₹1718.21 Crore of V.R. Corridor by the end of 2018-19.

It is targeted to complete the entire length of 960.97Km of V.R. Corridor in Odisha by 2019-20.

15. LEFT WING EXTREMISM SCHEME

Government of India have sanctioned 14 nos. of projects for improvement of 603.02km of road length including 1 no. of Bridge over river Gurupriya with an estimated cost of ₹985.50 crore in Left Wing Extremism affected districts of Sambalpur, Rayagada, Gajapati and Malkangiri under L.W.E Scheme, out of which, 12nos. of Projects(1 in Sambalpur , 2 in Gajapati District, 2 in Rayagada District & 7nos. in Malkangiri District) have been completed and 2 no. of projects in Malkangiri district are in progress. By the end of March, 2019, 572.48Km of road length has been completed with an expenditure of ₹881.67Crore.

The long-awaited construction of Bridge over Gurupriya with revised project cost of ₹187.25 Crore has been completed in EPC Mode of contract by State Government.

16. NATIONAL HIGHWAYS:

22 Nos of National Highways measuring of 4848.058 km in length traversed through the state of Odisha. Out of 4848.058 km of total length of National Highways in Odisha, 2946.171 km is under the control of NH wing of State PWD, 1901.887 km have been transferred to National Highways Authority of India.

Special Repair to NHs

As there is wide gap between requirement and allocation of funds for maintenance and repair of N.Hs in Odisha, the State Government provided ₹1000.00 Lakhs under State Plan –Special Repair to N.Hs to keep the NH in trafficable condition.

b) CENTRALLY SPONSORED SCHEME

17. Central Road Fund (CRF)

Government of India have revamped the CRF by way of imposing cess on petrol and diesel consumed in the State. It has been decided to utilize cess on diesel and cess on petrol for improvement of State Highways, Major District Roads & Other District Roads. Out of this amount 10% is earmarked for development of roads / improvement of roads of Inter State and Economic Importance. For financing the State roads under CRF, Government of India has prepared specific guidelines to be followed. Under this resources head, road and bridges are being improved with funds, available from Government of India since 2001-02. There is budget provision of ₹250.00 Crore for the year 2019-20 for 24Nos. of ongoing Road Projects, 15Nos. of ongoing Bridge projects and 29 Nos. of New Road Projects, 1No. of New Bridge project which are in tendering stage.

Physical target is set for completion of 10 nos. Bridge projects with improvement of 100.00Km road length during 2019-20.

18. Road Connectivity Project in Left Wing Extremism Affected Areas(RCPLWEA):

MoRD, Government of India have sanctioned 35 Nos. of projects of 29 No. of Roads for improvement of 388.79Km of road length with a cost of ₹350.52Crore for improvement of road connectivity in Naxal Affected districts of Malkangiri & Koraput under the Scheme under RCPLWEA (Phase-I). Works for 32 Nos. of projects have been awarded & are in progress.3 No. of projects are under Sub-judice.

These projects are being executed on 60:40 (Central / State) Share basis.

Till March,2019, Government of India have provided ₹102.20Crore & State Government have provided ₹73.07Crore for execution of the sanctioned projects.

During 2018-19, 50Km of road length has been completed with an expenditure of ₹80.88Crore.

Also, under RCPLWEA (Phase-II), 21 projects have been approved by MoRD for improvement of road connectivity in Malakangiri, Koraput & Rayagada District. Out of this, 10 nos. of DPRs have been processed & others are under preparation.

During 2019-20, there is token budget proposal under the scheme & required amount will be proposed at Supplementary Stage.

19. ADMINISTRATIVE AND EOM EXPENDITURE (NON-SALARY DELIVERABLE OUT PUT)

Budget provision under Non-salary deliverable out put is ₹.1129.9670 Crore including charged amount of ₹5.9204 Crore.

(i) Repair and Maintenance of Roads and Bridges: -

Maintenance of extensive road networks is a major prerequisite in the context of upkeepment of Capital assets. Due to rising trend in traffic, it has also been imperative to conceive a well-formatted maintenance schedule for better maintenance of roads with the available resources. Besides rising trend of traffic, other factors like flood/cyclone and other natural calamities also play a role in damaging the roads every year. In the mean time a large number of roads of Other Departments have been taken over by Works Department.

These roads also require immediate attention to bring these roads to PWD Standard & traffic worthy. There is budget provision of ₹.680.9390 crore during 2019-20 for maintenance of road assets with repair and maintenance of roads and bridges, Barricadings & IBs including Decretal Dues.

(ii) Urban Link: -

Due to rapid industrilisation, the state of Odisha is witnessing urbanisation growth during last decade for which traffic congestion within the urban limit are now a general phenmenon. For which adequate funds are not being provided by the Government of India. Looking into the needs of public, State Government provides ₹.7.75 crore during the current financial year for taking up drain work, widening with paved shoulders, improvement of traffic junctions etc.

(iii) Repair and Maintenance of Residential and Non-Residential Buildings: -

There is budget provision of ₹434.8255 Crore for upkeeping the existing infrastructure.

C) Provision under Charged Head: -

There is provision on charged head for maintenance of official Residential of Governor, Residential Buildings occupied by Secretariate staff of Governor and Payment of Decretal dues for an amount of ₹5.9204 Crore.

20. FUND FLOW MECHANISM.

Different schemes of Works Department draw funds from State Resources/Tied up resources under loan assistance/Fully Grant from Centre/Centre & State Sharing basis. Fund flow mechanism for different schemes are described below.

(a) Rural Infrastructure Development Fund (RIDF)

This is a tied-up resource funding under RIDF of NABARD Assistance. NABARD Sanctioned projects with 80% loan and 20% State share of cost of each project. Expenditure made out of State Budget Provision 80% of expenditure is reimbursable from NABARD and balance 20% is State share.

i. Central Road Fund (CRF):

Government of India allocate funds for improvement of State Highways, Major District Roads & Other District Roads and construction Bridges & ROBS out of the funds collected with imposition cess on petrol and diesel consumed in the State alongwith geographical area of the State. This is a 100% Central Government share. For financing the State roads under CRF, Government of India has prepared specific guidelines to be followed. The prioritised list of projects is submitted to MORT&H, Government of India & the projects are sanctioned as per sanctioned limit for the state in a financial year. MORT&H, Government of India release funds basing on the sanctioned projects & utilisation made on the earlier released funds. Funds released are routed through State Budget.

ii. IMPROVEMENT OF STATE HIGHWAYS (SHDP):

The scheme outlay is ₹3000.00 Crore with positive variation of 10%. The funds under the scheme provided by State Government with 100% State Share.

iii. Construction of North-South Corridor (Biju Expressway):

The scheme outlay is ₹.3630.00 Crore including Land Acquisition cost. The funds under the scheme provided by State Government with 100% State Share.

iv. Capital Road Development programme (CRDP):

Due to rapid growth of traffic, it has been imperative to widen & improve the road net work of the Capital City. State Government provides fund for development of State Capital roads with 100% State Share.

v. Core Road Network (CRN):

In order to provide better focus on management of road sector, Government in Works Department put in place Core Road Network (CRN) system pertaining to roads having high traffic density, economic & tourism importance and such other roads catering mining and industrial areas of the State. Government have declared 31 no. of roads covering 1610.250km as Core Road Network (CRN) vide Works Department, Government of Odisha Notification No.2669 dt.27.02.2009.

State Government provides fund for development of identified Core Road Network roads with 100% State Share.

vi. State Plan (Normal):

State Government provides fund for improvement of road network , construction of Bridges, ROBs, Under passes, Bye Passes, Ring roads, , Road safety Measures, 4-lanning of Sub-divisional Head Quarter Roads, Special repair of NHs, Repair & maintenance of res. & non-res. Buildings along with Planning & Research, Quality Control, DPR, Capacity Building, Asset Management and HRD , Land Acquisition Charges, Incentive to Contractors, Information, Education & Communication(IEC) & Decretal Dues arising out of Court cases with 100% State Share.

vii. Augmentation of Basic Amenities & development of Heritage and Architecture at Puri (ABADHA):

State Government has started a new scheme during 2017-18 with 100% state fund for Augmentation of Basic Amenities & Development of Heritage and Architecture at Puri (ABADHA) which includes Land Acquisition Charges / Re-habilitation& Resettlement/ Road Improvement for providing better facilities in & around Shree Jagannath Temple.

viii. PPP Projects.

Viable projects are selecte & taken up under PPP mode. VGF up to 20% of the project cost is met by Central Government & balance VGF (maximum totalling up to 20% of the project cost) is met by State Government during the operation stage. The VGF share of State Government is met through State Budget. The balance fund required for completion of the project is met by the Concessionair. The funds for Land Acquisition, R&R, shifting of utilities required for the project are borne by State Government through State Budget.

ix. ODISHA STATE ROAD PROJECT (OSRP):

The loan for Odisha State Road Project has funding ratio of 80:20 by the World Bank and the State Government. Expenditure is made out of State Budget Provision. World Bank loan was closed on 30.06.2016. Balance work is taken up by the State.

x. Special Central Assistance for KBK Districts under RLTA:

In order to boost the socio economic condition of people of KBK Districts, Government have taken effective steps to provide better connectivity as well as to improve existing roads. Works Department has been entrusted to take up road connectivity programme under RLTA from the year 2001-02. Most of the

roads in KBK Districts pass through extremist prone areas and connect Telengana, Andhra Pradesh and Chhatisgarh. Due to traffic intensity, continuous heavy down pour and flash floods in Hilly Terrain, the roads in the KBK Districts show signs of distress and develop heavy depression as well as number of pot-holes. Some missing links disconnects one place from another. Priority has been given to connect those by constructing bridges on missing links. Government of India provide funds under the scheme with 100% central Share. The scheme has been delinked by Nity Ayog, Government of India since 2015-16. However, funds as programmed up to 12th Plan period i.e. up to 2016-17 has been provided by Central Government.

xi. Road Construction Programme in Left Wing Extremism Affected Areas(RCPLWE):

During 2017-18, this scheme has been introduced for improvement of road connectivity in LWE affected districts of the state. The identified roads are sanctioned by Ministry of Road Development, Government of India. The Funds for the sanctioned projects are with 60:40 (Central / State) Share basis.

xii. Economic Importance Scheme Scheme (E&I) & Interstate Connectivity Scheme (ISC):

Government of India allocate funds for imrovement of State Highways, Major District Roads & Other District Roads and construction Bridges & ROBS out of the funds collected with imposition cess on petrol and diesel consumed in the State alongwith geographical area of the State as CRF Rule. Out of this amount 10% is earmarked for development of roads / improvement of roads of Inter State and Economic Importance. For financing the State roads under the scheme, Government of India has prepared specific guidelines to be followed. The priortised list of projects is submitted to MORT&H, Government of India & the projects are sanctioned as per sanctioned limit for the state in a financial year. Up to 2015-16, the funds for the sanctioned projects are met through State Budget with 50:50 Share basis for projects sanctioned under Economic Importance Scheme Scheme (E&I) & with 100% share for the projects sanctioned under Interstate Connectivity Scheme (ISC). After, 2015-16, the payments for the sanctioned projects under these schemes are made through DPP Mode by MORT&H, Government of India with 100% Central Share.

xiii. Vijayawada – Ranchi Corridor

Development of 622.70Km length of V.R. Corridor is being made under this scheme. The payments for the sanctioned projects under this scheme are made through DPP Mode by MORT&H, Government of India with 100% Central Share.

xiv. LEFT WING EXTREMISM SCHEME

Development of road connectivity in LWE affected districts of the state are being made under this scheme. The payments for the sanctioned projects under this scheme are made through DPP Mode by MORT&H, Government of India with 100% Central Share.

CHAPTER – II

OUTCOME BUDGET FOR 2019-20

The scheme-wise details, wherever necessary of the Outcome Budget for 2019-20 are indicated in the attached statement.

CHAPTER – II
OUTCOME BUDGET FOR 2019-20

TABLE-1
(PROGRAMME EXPENDITURE)

Department: Works

(IN THOUSANDS OF RUPEES.)

Sl. No	Name of the Schemes / Programmes	Objective	Outlay for 2019-20	Quantifiable/ Deliverable Physical Outputs	Outcome	Process / Timelines	Remarks / Risk Factors
1	2	3	4	5	6	7	8
(A)	State Sector Schemes						
1.	Rural Infrastructure Development Fund (RIDF) with assistance from NABARD.	Improvement of roads and construction of bridges in rural areas.	5000000	75 nos. ongoing projects (26 Bridges & 49 Roads), and 95 nos. projects in pipeline (35 bridges & 60 roads). Targeted for completion of 25 nos. projects (6 bridge & 19 roads projects covering a length of 200.00 km in different stretches)	Improvement of rural connectivity for socio economic development of the rural people.	Continuous	1. Land acquisition and forest clearance. 2. Utility shifting. 3. Unforeseen Contractual problem. 4. Response to tenders. 5. Natural calamity
2	Odisha State Road Project	Improvement of busy corridors of the state covering a length of 304.60 km. & 4 nos. road projects & 1 no. bridge project.	750000	Completion of 4.10 km road in different stretches	Faster movement of road traffic in the identified busy corridors.	Continuous	1. Land acquisition. 2. R & R and statutory clearance. 3. Utility shifting. 4. Unforeseen Contractual problem. 5. Natural calamity

CHAPTER – III

REFORM MEASURES AND POLICY INITIATIVES

01. INSTITUTIONAL STRENGTHENING ACTION PLAN (ISAP)

Institutional Strengthening Action Plan (ISAP) for the Works Department was approved by the State Cabinet on 9th. June 2008. It covers six major areas such as:

- Road Sector Strategy (Road Sector Policy, Core Road Network, ROW clearance, Road Fund, Master Plan, Road Safety Policy, Toll Policy, Axle Load policy, PPP Policy & Construction Industry Capacity Development)
- Core Processes in Roads Management (e-Procurement, Asset Management, Environment & Social, MIS based performance monitoring)
- Organizational Structure & Management (Re-organization and strengthening of Works Dept. cells for PPP, Asset Management, Road Safety, Social & Environment etc.)
- Financial Management, Audit & Administration (IT based FMS)
- Information & Communication Technology and MIS (IT based MIS resources, computerization)
- Human Resources Development & Capacity Building (Extensive training, Objective based performance appraisal)

Sl. No.	Item	Status
1	Road Sector Strategy	<p>a.) Odisha State Roads Toll Act-2010 has been enacted w.e.f. September, 2010 and Odisha State Roads Toll rules 2011 has been published.</p> <p>b.) Odisha draft road sector policy has been prepared which is being reviewed by Government and shared with other Stakeholder Departments for their review and suggestions. The road policy will be notified in FY 2019-20 once get concurrence by Government.</p> <p>c.) Core Road Network has been notified vide Works Department Notification No-2669 dtd. 27.02.2009 & separate budget allocated.</p> <p>d.) Construction Academy Building is completed. Government of Odisha in collaboration with Larsen & Toubro are imparting training to unemployed youth for skill development in Masonry, Bar bending and Form-work carpentry.</p> <p>e.) Odisha Road Network Master Planning based on GIS-Based Road Network Model will be adopted this year. This is a dynamic model, will act as a tool for long term investment planning in road sector. A report on completion of Inaugural Master Planning for main road network of Odisha has been prepared. Based on the recommendation, actions has been initiated.</p> <p>f.) A Draft Road Safety Policy 2015 has been framed by the Commerce & Transport Department, Govt of Odisha in light of recommendations in the Draft Road Safety Action Plan has been already approved by the Government and notified in Odisha Gazette for implementation.</p> <p>Consequent upon the approval of Road Safety Policy of Odisha-2015, Works Department has constituted Road Safety Cell and identified Black spots on NHs, SHs & MDR Road Safety Cell in association with HRD & Training Cell of the Works Department has organized an in-house Training Programme on "Road Safety Audit" in December 2016 for capacity building in road safety matters to 70 OWD Engineers by CRRI, New Delhi. Appropriate actions to remove black-spots and necessary corrective counter measures through engineering interventions has been taken in FY 2016-17 & 2017-18 and onwards.</p> <p>(g.) A dedicated Road Safety Fund on the basis of recommendation of "Committee on Road Safety" appointed by SCI has been resolved at Government level to curb road accidents by way of enforcements, awareness Generation, establishing help lines at accident prone stretch & procurement of accessories/equipment for which detail plans and expenditure shall be prepared by the Transport Commissioner.</p> <p>(h.) Odisha outdoor advertisement & hoarding policy-2015 prepared by road safety cell, Works Department has been approved and notified in January 2016 to monitor the policy implementation by both Works/ H&UD Department.</p>

Sl. No.	Item	Status
		<p>(i.) Revised OPWD Code and a new OPWD Manual have been prepared with comprehensive revisions and addition of new chapters in alignment with National Trend and are under review of the Codes Revision Committee of Government. This revised Code is likely to be approved and implemented during the FY 2019-20.</p> <p>(j.) A report on Vehicle Axle Load Regulation & Management has been prepared and implementation of recommendations suggested therein are under active consideration of the Government.</p> <p>(k.) A report on Main Road funding options and creation of Road Fund for the maintenance need of PWD Roads has been prepared and is under active consideration of the Government.</p>
2	Core Process in Roads Management	<p>E-procurement was launched in 2007 and being successfully implemented in the state. Other institutional arrangements have been provided to strengthen the e-procurement cell with posting of one Chief Engineer rank officer and other support officials.</p> <p>The Asset Management Cell of OWD is functioning under Chief Engineer (D.P.I. & Roads), Odisha. The information relating to roads and bridges has been maintained in a computer database. Necessary maintenance requirements for roads and bridges are assessed through scientific deterioration models. The goal of the assignment is to ensure that OWD is able to prioritize works on technical parameters for the road network using computerized AMS operating on a GIS Platform and to rationalize decision making in planning, programme, funding, procurement and in the allocation of resources in road sector to make best use of public funds in preserving the road network at an acceptable level of service. Maintenance requirement of the OWD road network for the year 2019-20 has been prepared partly by ORAMS.</p> <p>Social and Environmental units are functional for the World Bank Financed road projects only.</p>
3	Organizational Structure & Management / Reorganization	<p>PPP cell in Works Dept. is functional.</p> <p>Currently, one of the lifeline road project of Western Odisha, namely four laning work of Sambalpur-Rourkela section of SH-10, covering 163 km length, which is a major part of the "Biju Expressway" has been completed through PPP.</p> <p>Similarly, the department had earlier completed the project preparation of another important connectivity namely Capital Region Ring Road (CRRR), which is a proposed by pass road to the existing NH-16 so as to bypass primarily the Kolkatta & Chennai bound traffic plying on NH-16 from entering the city of Cuttack and Bhubaneswar.</p> <p>It has been agreed in principle that CRRR project shall be implemented by Government of India and State Government shall facilitate all logistical supports which includes acquisition of land.</p> <p>Directorate of Designs has been established which is headed by a Chief Engineer, (Designs) with Suprrintending Engineers, Executive Engineers and Assistant Engineers for Design works.</p>

Sl. No.	Item	Status
4	Implementation of IT/ICT/MIS to modernize the financial management system, computerize the record keeping	A draft IT – ICT-MIS Strategy for the Works Department, compatible with e-Governance Scheme of Government of Odisha, has been prepared and the implementations of the recommendations are under active consideration of the Government. This report is likely to be approved and implemented in the year 2019-20.
5	Training & Capacity building in core skills	Draft HRD Policy of Works Department along with TNA based Training Plan has been finalized and has been approved. The HRD & Training Policy of Works Department, Odisha 2015 has been notified in Odisha Gazette. HRD & Training Cell of Works Department has been established and functional in the O/o the E.I.C (Civil), Odisha, Nirman Soudha from FY 2015-16. For implementation of HRD & Training Policy of Works Department, an expert has been engaged and necessary induction trainings to new recruited AEEs has been imparted during 18th April to 9th June 2016 to enhance the capacity of newly recruited engineers of Works Department. Every year induction training to new AEEs & JEs, more in service training are planned to be organized in 2019-20 to enhance the capacity of engineers of Works Department.

02. CAPACITY BUILDING

1. Infrastructure Management Information System (IMIS) for roads and buildings is on the way for its full-fledged establishment
2. e-Nirman has been launched for physical and financial monitoring of projects online.
3. Attracting Entrepreneurs for execution of major projects through PPP mode.
4. Improving R&D facilities, imparting training to the Engineers of Department to keep abreast with the latest technical know-how.
5. Adoption of Mechanized Construction technologies to ensure Economy and Faster completion of projects.
6. Adoption of Latest building technologies suiting to the State environment incorporating Green Building Technology conditions more on the Green Building concept are being adopted.
7. Implementation of Works and Accounts Management Information System (WAMIS).
8. e-Despatch has been made operational.

03. ONLINE PROJECT MONITORING MECHANISM (e-NIRMAN)

Process Flow and Features of e-Nirman (Web-based Online Monitoring System)

- Executive Engineer creates the work and provide financial year target (project wise monthly basis) along with physical target (component wise as per agreement).
- He assigns the work to concern section officer through Sub-divisional officer.
- Section officer updates the Financial Achievement on monthly basis by sms or through web.
- Then Executive engineer updates the Cumulative Achievement (Physical progress) of the work with photograph showing the physical achievement.
- Then users from Executive Engineer, Superintending Engineer, Chief Engineer, Engineer-in-Chief, Works Secretary and Development Commissioner monitor the work through their different logins.
- Users monitor financial achievement against target for monthly as well as yearly basis, Percentage of achievement against target along with scheme wise target-achievement analysis. Physical achievement against agreement quantity with showing actual site progress with photographs.
- Issue Management is there to monitor different types of issues such as Land Acquisition, Tree Cutting, Encroachment and Utility shifting to solve out this specific issues at earliest to expedite progress of work by remaining bottlenecks.
- Miscellaneous Issue section is there for internal communication purpose. Like want of allotment, others issues, meeting alerts any other kind of communication.
- Tender module is there for monitoring the nos of approved/accepted tender at different hierarchy levels and execution of agreement for timely Work execution.
- Inspection Module is there to monitor the Site visit Inspection and its compliance in a single window for all future references, which also helps in maintaining proper work execution and action monitoring.
- Data sheet report is added for calculation of nos of projects(Road lengths, Bridges, Culverts, Buildings(Green Rated/Non-Green Rated) etc) achieved against target during a Financial year.

Benefits of e-Nirman

- One touch solution for monitoring. Web-based and real time monitoring, centrally management.
- Makes system transparent from ground users to higher users both in physical and financial monitoring.
- Different kind of abstract reports can be generated without querying (involving) the use ₹
- Different kind of Graphical reports can be generated, by clicking few buttons.
- Users performance report can be generated.
- District/Constituency wise work lists can be prepared and easy for preparation of reports.
- Issues can be monitored and quick action can be taken for sorting it out at earliest rather than long delay process which would save time and increase efficiency for achievement of Budget Target.
- Contactor performance monitoring: - To monitor Contractor's activities in Works Department projects which helps in further decision for Technical evaluation of a tender of concerned contractor with on-going works in the Department.

Proposal for computerised project monitoring systems was conceptualised as a follow up action of Finance department letter No. 35689/Plan (UCZ-3/2010/F/18.08.2010). Accordingly, online project monitoring web-site of Works Department "e-nirman" was inaugurated by Hon'ble Chief Minister, Odisha on 01.03.2013. Continuous up-gradation of the system is being made to suit to the requirement of efficient project monitoring.

Initiatives under 5Ts

Hon'ble Chief Minister, Odisha has instructed all Administrative Departments to identify services and processes, where in the first phase they want to implement 5Ts, preferably wherever there is citizen interface for "Totally Citizen Centric Governance". The Works Department has identified the 21 Action Points which are consolidated in to 8 strategic areas for implementation i.e.

- 1) Policies and Regulation
- 2) Project Management
- 3) Procurement
- 4) Project Finance
- 5) Technology
- 6) Communication
- 7) Human Resource Development
- 8) Total Quality Management

The mapping of various action points with respect to these 8 strategic areas is as follows:

SI No	Action Points	Strategic Area
1	Convergence with Construction Workers Welfare Board to provide work site facilities at major project sites.	Project Management
2	Develop internal mechanism for ensuring health, safety and work environment of labourers.	Quality Management
3	Transfer of payment directly to the bank account of labourers by the Contractors through an appropriate mechanism.	Technology
4	Capacity Building Program of Vendors for ensuring completion of work on time, to maintain quality and for use of modern technology and machinery.	Quality Management
5	"Zero Tolerance" towards harassment in bill payment, introduction of mechanisms such as e-MB (electronic Measurement Book), e-billing and quick online payment.	Technology, Communication
6	Introduction of alternate dispute resolution mechanism for speedy resolution of disputes.	Project Management
7	Monthly payment of bills, even if it's a zero Bill.	Project Management
8	Contractor Database Management and bringing transparency in the process of licensing of Contractors.	Technology, Procurement
9	Use of Standard Procurement Documents for Civil works, goods and services.	Procurement
10	Revision of OPWD code to align it with modern procurement construction management.	Policy & Regulation
11	Partnering with professional agencies, academic institutions and consultants for bringing in cutting-edge knowledge and technology.	Human Resource Development, Quality Management
12	Creating a conducive environment for professionals to work on various projects for value addition and quality improvement of public assets.	Human Resource Development
13	Transformation of OBCC into a professional, efficient & cost-effective infrastructure development corporation of State Government.	Human Resource Development, Procurement
14	Receipt and redressal of public grievances in an efficient and time-bound manner.	Communication

15	Quality control reports to be disclosed in public domain for a defined category of projects. Quality Control Directorate of department should be strengthened.	Quality Management
16	To ensure completion of Projects in time and to ensure quality of public assets being created, an Integrated Project Management Tool will be developed.	Project Management, Technology
17	Social media tools shall be extensively used for information, education and grievance redressal.	Communication
18	All Public buildings to be developed & maintained in an integrated manner by Works Department. Toilets & PH (Public Health) part of public buildings to be taken up by Works Department only. Department may also prepare a restructuring proposal for reorganizing CEs & EICs.	Human Resource Development, Policy & Regulation
19	To develop a suitable and transparent mechanism to provide out of turn promotions to deserving engineers.	Human Resource Development
20	To map core competencies required for engineering and project management work and develop various training modules and exposure visit program for them. This will also be linked to the career progression policy.	Human Resource Development
21	To partner with a, training institute of repute for institutionalizing the capacity & team building efforts.	Human Resource Development

For implementation one team for each strategic area with one Nodal Officer (of Superintending Engineer/ Executive Engineer Rank) and one Supervising Officer (of Chief Engineer Rank) has been constituted. Additionally, it has been decided that there shall be three teams in department for the planning and monitoring of implementation of Governance Action Plan for 5T. These are as follows:

- 1) Co-ordination and Synergy Team for monitoring all officials work and file management.
- 2) Technical Support Team to provide all technical Support and institutional support required for planning and roll-out of the initiative.
- 3) Lateral Support Team shall be led by Professionals hired from outside the department and would be assisted by resources persons. This team shall support in overall planning and monitoring of various activities.

Actions taken by teams are being reviewed by the Department at regular intervals with necessary instructions for way forward.

CHAPTER – IV

PAST PERFORMANCE OF PROGRAMMES AND SCHEMES

Scheme wise /Programme wise achievement in terms of financial and physical targets fixed in the year 2017-18 & 2018-19 with reference to programme expenditure and Administrative & EOM expenditure has been provided in the tabular form.

TABLE-5
(FINANCIAL AND PHYSICAL PERFORMANCE FOR THE YEAR 2017 – 18)
(PROGRAMME EXPENDITURE)

Department: Works

(IN THOUSANDS OF RUPEES.)

Sl. No	Name of the Schemes / Programmes	Financial target for the year 2017-18	Financial achievement for the year 2017-18	Physical target for the year 2017-18	Physical achievement for the year 2017-18	Remarks / reasons for shortfall
1	2	3	4	5	6	7
(A)	State Sector Schemes					
1.	Rural Infrastructure Development Fund (RIDF) with assistance from NABARD.	6000000	5986566	95 nos. ongoing projects (30 Bridges & 65 Roads), and 65 nos. projects in pipeline (14 bridges & 51 roads). Targeted for completion of 30 nos. projects (5 bridge & 25 roads projects covering a length of 300.00 km in different stretches)	8 nos. bridge completed and 32 nos. road project completed covering to 306.000 km length of road in different stretches	TRS.13434 surrendered by EE, Kandrapara (R&B) Division due to iOTMS failure.
2.	Orissa State Road Project	2293553	2165481	Completion of 100.00 km road in different stretches	Completion of 48.00 km road in different stretches	TRS.128072 less expenditure due to Invocation of Mobilisation advance. The physical shortfall is due to Land Acquisition and Rehabilitation & Re-settlement cases.
3.	Road Development Programme & Other Road Sector Programme	9459708	9461629	New Fly Overs-4Nos. New ROBs-13Nos. New Ring Road/Byepasses-6Nos. New Bridges-11Nos. New Road Projects-40Nos. Completion of 24Nos. of Bridge,3Nos. ROBs & 230.00Km of road length	Bridge -26 Nos. and ROB -2 Nos. completed. 509.09 Km length of road improved in different stretches.	

Sl. No	Name of the Schemes / Programmes	Financial target for the year 2017-18	Financial achievement for the year 2017-18	Physical target for the year 2017-18	Physical achievement for the year 2017-18	Remarks / reasons for shortfall
1	2	3	4	5	6	7
4	Special Repair of National Highways	100000	99986	Roads-41.38 km	100% completed	
5	North-South Corridor (Biju Expressway)	1421040	1421040	Ongoing projects-5Nos. New projects-5Nos. Completion of 50Km of road length	39.60 Km length of road improved in different stretches.	Delay in land Acquisition.
6	State Highway Development Programme(SHDP)	4961279	4961222	Ongoing Road Projects-68 Nos. New Road Projects-15Nos. Completion of 500.00Km of road length	299.69 Km length of road improved in different stretches.	Delay in shifting of utility, forest clearance, tree cutting, eviction of encroachment, Maoist Activities.
7	Capital Road Development Programme(CRDP)	400000	399256	Ongoing Road projects-11Nos. New road projects-22Nos. Completion of 10.00Km of road length	7.64 Km length of road improved in different stretches.	Eviction of encroachment, utility shifting.
8	Core Road Net work	165500	165499	Ongoing Bridge projects-1No. Ongoing Road projects-6Nos. New road projects-5Nos. New Bridge projects-3Nos. Completion of 1No. Bridge & 10.00Km of road length	18.40 Km length of road improved in different stretches.	Slow progress of work.
9	PPP Projects	648130	648124	Land acquisition, R&R, Utility shifting and DPR for PPP projects and Other expences		
10	Biju KBK Yojana (Infrastructure Development fund scheme for KBK Districts)	300000	223576	Ongoing Road projects-9Nos. New road projects-12Nos. Completion of 30.00Km of road length	12.45 Km length of road improved in different stretches.	Delay in finalization of tender due to enactment of GST Act.

Sl. No	Name of the Schemes / Programmes	Financial target for the year 2017-18	Financial achievement for the year 2017-18	Physical target for the year 2017-18	Physical achievement for the year 2017-18	Remarks / reasons for shortfall
