Sub: **Operational procedure for online submission of NPS contribution in respect of Government employees who are under deputation to various organisations or are not drawing their salary through Treasuries – revision of uploading of NPS contributions regarding.**

Madam/Sir,

The operational procedure for National Pension System (NPS) for both registration and allotment of PRAN and uploading of NPS contributions for State Government employees appointed on or after 01.01.2005 and on deputation to various organizations or not drawing their salaries through Treasuries have been laid down earlier vide Finance Department Circular No. 10327/F, dated 21.03.2012.

2. It has come to the notice that, there has been delay in uploading of the NPS contributions to the NSDL, Mumbai and the Trustee Bank in the existing process of uploading, which involves multiple manual interventions. As per the existing practice, the DDOs prepare the Bank Draft for NPS contribution of the subscribers and send it to the NPS Cell of the Directorate along with employee contribution schedule for necessary uploading which is a time consuming process. In order to avoid delay and ensure submission of NPS contribution details to NSDL, Mumbai and the Trustee Bank efficiently, the IFMS, Odisha has now developed functionality for online submission of NPS contributions in respect of DDOs who are not drawing the salaries through the Treasuries and the employers of the foreign organization.

3. Thus, after careful consideration, it has been decided to prescribe the following revised operational procedure for uploading of NPS contributions for **“online submission of NPS contributions through IFMS Portal in respect of State Government employees appointed on or after 01.01.2005 and are on deputation to various organizations or not drawing their salaries through Treasuries”** in partial modification of earlier operational procedure circulated vide Finance Department Circular No. 10327/F, dated 21.03.2012. **However, procedure for registration and allotment of PRAN will be guided by the Finance Department Circular dated 21.03.2012.**
