

**GOVERNMENT OF ODISHA**  
**OUTCOME BUDGET 2023-2024**

2023-2024  
FINANCE DEPARTMENT

# INTRODUCTION

Odisha is one of the first few states to adopt the Outcome Budget. The Outcome Budget is currently being prepared by 27 major spending Departments covering important development sectors like social, economic and infrastructure. The purpose of the Outcome Budget is to link budgetary provisions to development outcomes of Government programmes. In that sense, it is a departure from the traditional budgeting, which focuses on public spending as a method of monitoring the implementation of the Budget.

The Outcome Budget presents: (a) the financial outlay for the year 2023-2024, (b) clearly defined outputs and outcomes, (c) measurable output and outcome indicators, and (d) specific output and outcome targets for FY 2023-2024. This is believed to significantly enhance transparency, predictability and ease of understanding of the Government's development agenda.

While we know that outlay is the amount that is provided for a given scheme or project in the Budget, output refers to the direct and measurable product of programme activities, often expressed in physical terms or units. On the other hand, outcomes are the collective results or qualitative improvements brought about through the delivery of these services. The idea is to present these outlays, outputs and outcomes in measurable terms to bring in greater accountability for the agencies involved in the execution of schemes and programmes

It is expected that the Outcome Budget will help the policy-makers and decision-makers to arrive at a better understanding of the efficiency and effectiveness of Government spending. The Outcome Budget is also an important step towards increasing transparency in governance and budgeting. It is expected to facilitate the utilization of Government funds in the interest of the public so that citizens may benefit to the maximum and unnecessary and less useful expenditure can be avoided.

The real value of the Outcome Budget lies in its utility as a policy tool to link allocation and disbursement of the public fund with outputs and outcomes. The physical outputs and deliverables of the schemes need to be measured against the targeted outputs/outcomes set in the Outcome Budget at periodic intervals during the year.

Through this exercise the Government aims to nurture an open, accountable, pro-active and purposeful style of governance by transitioning from mere outlays to result-oriented outputs and outcomes. This effort will enable Departments to keep track of the scheme objectives and work towards the development goals set by them.

## TABLE OF CONTENTS

Sl. No	Demand No.	Demand Name	Page No.
1	07	Works Department	1
2	09	Food Supplies and Consumer Welfare Department	290
3	10	School and Mass Education Department	308

## 15 - SPORTS & YOUTH SERVICES DEPARTMENT

### State Sector Schemes

	15-4202-03-102 2053 - Infrastructure Development 37084 - Development of Sports Infrastructures	9820794	In tune with the Government's vision to promote a robust sports ecosystem in the state, quality sports infrastructure is a prime requisite. Keeping in that in mind, the Govt have been pretty consistent in its endeavor to come out with a long term plan to strengthen Sports infrastructure facilities in the State. As testimony to this, in recent years the Infrastructure budget allocation has witnessed a substantial rise leading to creation of some of the internationally acclaimed sports facilities in the state. To keep that a momentum forward in FY 2023-24, a sum of Rs 982 Cr has been provisioned for creation of new Sports facilities as per the emerging needs.	Creation of New Sports facilities and significant upgradation of existing ones.	The scheme has two quantifiable indicators in terms of output. (a) Amount spent on construction of New Sports facilities as well as significant upgradation of existing ones. (b) Number of Sports assets created/upgraded.	Rs in Lakhs	98200	Making available the requisite high quality Sports Infrastructure under various sports discipline to cater to the needs of the Sports persons of the state and to host various International/ National Sports Championship .	1-Number of Sports Infrastructure projects taken up. 2-Amount spent.	Numbers( No.)	120	Availability of litigation free suitable Govt. land. Since, Department does not have its own in house project executing wing, it depends upon other outside agencies to execute various Sports project. Availability of suitable and competent agency is an important factor for timely execution of different projects.

# LIST OF PROJECTS/WORKS WITH TOTAL OUTLAY FOR 2023-2024

## 20 - WATER RESOURCES DEPARTMENT

Sl no.	Name of the Project/work	Benefited Area (District/State)	Total Outlay (in TRS)
1	2	3	4
<b>State Sector Schemes</b>			
<b>Flood Control &amp; Drainage</b>			
1	Improvement to surplus channel of Badabandha Gandala from RD 00m to 2.0km with provision right service road.	Ganjam	212
2	Raising & strengthening of LFB of River Rushikulya near village UDSPur in between RD 29Km to 33.08Km.	Ganjam	1411
3	Protection to U/s & D/s of Purusottampur bridge providing launching apron at RD 12.40Km on LFB of river Rushikulya.	Ganjam	153
4	Improvement to slope protection work of Masania Nala near village Ralab.	Ganjam	165
5	Restoration of RFB of River Rushikulya in between RD 9600m to 12000m.	Ganjam	469
6	Restoration of RFB of River Rushikulya near village Jamuni.	Ganjam	85
7	Improvement to LFB of river Baghua near village Dimiria.	Ganjam	50
8	Restoration to RFB of river Dhanei connecting to Banapalli anicut.	Ganjam	207
9	Provision of 2nd scouring sluice of diversion weir of patanalla of Kamapatta at D.Patapapur with u/s and d/s protection.	Ganjam	483
10	Improvement to Bankua Nalla near village Mathatentulia.	Ganjam	361
11	Improvement to RFB of river Dhanei connecting to Jakar anicut near village Jenapur.	Ganjam	65
12	Protection to drainage sluice in between RD 3.60Km to 6.20Km on RFB of River Kharkhari.	Ganjam	165
13	Raising and Strengthening of LFB of River Rushikulya near village Kalyanpur in between RD 38.00Km to RD 39.00Km.	Ganjam	222
14	Construction of Bathing Ghat and CC Protection wall along RFB of river Rushikulya near Hatapur	Ganjam	329
15	Improvement of RFB of River Dhanei near village Konkorada.	Ganjam	186
16	Improvement to Sankhanalla in between RD 00 m to 250 m.	Ganjam	2041
17	Improvement to Naphabati nalla in between RD 3600m to 4200m near village Aladpur.	Ganjam	3136
18	Improvement to Karakhai nalla in between RD 1250m to 1480m.	Ganjam	1013
19	Improvement to Ambaghai Nalla at RD 50m to 300m.	Ganjam	2103
20	Improvement to LFB of river Ghodahada including construction of two bathing steps near village Chanduli.	Ganjam	2598
21	Improvement to Machua Nalla from RD 00m to 1460m.	Ganjam	1456
22	Improvement to LFB of river Dhanei connecting to Jakar Anicut.	Ganjam	1498
23	Repair to Nalakanania HR at RD 4462m including strengthening of bank of Nalakanania nalla of Dhanei Irrigation Project	Ganjam	1495
24	Launching & packing of river Dhanei near canal syphon at RD 4529 m of Dhanei Irrigation Project.	Ganjam	1495
25	Provision of one foot bridge & protection work on escape channel fo Badabandha of KTN Pur minor near parala maharaja college	Ganjam	1271

Survival of plants in planting site.	Percentage (%)	100	Scanty rainfall below the normal annual average.

## 22 - FOREST, ENVIRONMENT AND CLIMATE CHANGE DEPARTMENT

### State Sector Schemes

Rejuvenation of Bamboo clumps by cleaning and other operation.	Cleaning of clump and moisture conservation measures	Hectare (Ha)	100000	Bamboo regeneration cleaning soil moisture appx. 20.0 lakhs clumps.	Regeneration of Bamboo rhizomes	Percentage (%)	90	
Execution of suitable Soil Moisture Conservation structures and other measures	Reduction in speed of rain water facilitating percolation to ground.	Hectare (Ha)	15427	Patrolling in Forest area.	Record of daily patrolling.	Percentage (%)	100	
Engagement of Protection Squad.	Protection Squad = 10 persons per squad	Numbers (No.)	227	Digitized map of forest block with Geo-coordinate.	Maps, Pillars well placed block wise.	Percentage (%)	100	
Deployment of hired vehicle for mobility of squad.	Hired vehicle deployed for mobility	Numbers (No.)	316	SMC structures approx. Nos. S.Trench-5.55 P.Pits - 5.55 L LBCD - 2.32 C.Dam - 0.04 Sub.S.dyke-0.04	Enhancement in Growth of Forest crop and regeneration of forest species. (Not measurable after one year)	Not Applicable (NA)	0	
Geo-referencing of notified forest boundary and deemed forest boundary.	Forest blocks of area referenced.	Square Kilometer (Sqkm)	17012	Patrolling in Forest area,	Reduction of illicitly felling & encroachment. (not measurable)	Not Applicable (NA)	0	
Protection of Forest from Fire	1 squad = 10 members	Numbers (No.)	271	Patrolling in fire prone areas.	Record of daily movement, reduction in fire incident. (Not measurable)	Not Applicable (NA)	0	

## 22 - FOREST, ENVIRONMENT AND CLIMATE CHANGE DEPARTMENT

### State Sector Schemes

Protection of Forest from Fire	Fireline creation around fire prone forest area.	Square Kilometer (Sqkm)	159	Fire line created by cleaning.	Fire lines mapped	Percentage (%)	100	
Protection of Forest from Fire	Training to Frontline forests staff on fire control.	Numbers (No.)	283	Trained personnel to combat forest fire.	Quick address of fire by recording with time.	Percentage (%)	100	
Wildlife habitat improvement	Creation of water bodies	Numbers (No.)	150	Water source for WL ensured	Movement of wildlife outside forest for water minimized and raiding of wildlife to human habitation reduced. (effect on wildlife. not measurable)	Percentage (%)	100	
Wildlife habitat improvement	Creation of water harvesting structure	Numbers (No.)	50	Survival and growth of plants for wildlife animals.	Survival of plant for assured fodder availability.	Percentage (%)	80	
Wildlife habitat improvement	Plantation of fodder species, bamboo seed-balls	Numbers (No.)	6350	Forage grass raised for wild animal	Wildlife movement to grass field, human animal conflict reduced. (effect can be assessed after establishment after 2 years)	Percentage (%)	100	

## 22 - FOREST, ENVIRONMENT AND CLIMATE CHANGE DEPARTMENT

### State Sector Schemes

Wildlife habitat improvement	Creation of meadows	Hectare(Ha)	800	Improving Habitat condition for blackbuck.	Increase in blackbuck population. (not measurable) (can be assessed by special study of expert agency)	Not Applicable(NA)	0	
Wildlife habitat improvement	Black buck habitat	Numbers(No.)	12	Improving nesting, feeding facility for migratory bird.	Increase in congregation population of birds. (not measurable) (Can be assessed by special study by expert agency)	Not Applicable(NA)	0	
Wildlife habitat improvement	Conservation of wetland	Numbers(No.)	45	Cultural operation & Protection in old plantation area.	Survival of planted sapling improvement of crop condition	Percentage (%)	80	
Maintenance of old plantation and its protection.	Gap planting to replace casualty.	Hectare(Ha)	95837	Making forest roads made Jeepable.	Improvement in patrolling and movement of vehicle to forest	Percentage (%)	100	
Construction of residential and non-residential structures and roads.	Improvement of forest road	Kilometers(km)	2147	Fencing of Range office.	Range Office functioning	Percentage (%)	100	

## 22 - FOREST, ENVIRONMENT AND CLIMATE CHANGE DEPARTMENT

### State Sector Schemes

				Construction of residential and non-residential structures and roads.	Range Office Building	Numbers( No.)	6	Residential quarters construction.	Staffs reside in designated stations with basic dwelling facility.	Percentage (%)	100	
				Construction of residential and non-residential structures and roads.	Quarters for Range Officers, Forester & Forest Guard	Numbers( No.)	246					
37	SCIENCE TECHNOLOGY & ENVIRONMENT - Forestry & Wildlife - Forests - Compensatory Afforestation and fund Management Planning Authority (CAMPA) - OTHERS							Scheme Type :- State Sector Schemes

	22-3435-03-102 3440 - Green Climate Fund Project 20002 - Other Charges	232312	To enhance the resilience of the lives and livelihoods of the most vulnerable coastal populations due to climate change and extreme weather events	Enhanced Resilience of Coastal and Marine Ecosystem and their Services	Restoration, Plantation & Protection of Mangroves	Hectare (Ha)	810	The resilience of coastal communities established through restoration, plantation, protection and maintenance of additional areas of mangroves	No of hectares restored	Hectare (Ha)	810	

## 22 - FOREST, ENVIRONMENT AND CLIMATE CHANGE DEPARTMENT

### State Sector Schemes

Enhanced Resilience of Coastal and Marine Ecosystem and their Services	Restoration of Degraded Watershed	Hectare (Ha)	300	Restoration of watersheds ongoing in 300 Ha in Chilika (Gajam) Landscape of Ganjam district	Area covered	Hectare (Ha)	300	
Enhanced Resilience of Coastal and Marine Ecosystem and their Services	Study on Salt Marshes and Seagrass	Hectare (Ha)	30	Annual report of CDA submitted that enlightens & supports the restoration, protection work on Seagrass & Saltmarsh. Restoration & Protection of saltmarsh ( 20 ha) and Seagrass (10 ha) initiated	Final Report	Numbers (No.)	30	
Climate Adaptive Livelihoods for enhanced resilience of the vulnerable coastal communities	Hiring and Engagement of FNGO Teams in 7 project landscapes	Numbers (No.)	7	FNGOs support in building capacities of the communities in all project landscapes and ensure last mile connectivity	No of FNGOs	Numbers (No.)	7	
Climate Adaptive Livelihoods for enhanced resilience of the vulnerable coastal communities	Engagement of Climate Champions	Numbers (No.)	400	Climate Champions are capacitated and provide handholding & regular support to the coastal communities in the project landscapes	no of climate champions	Numbers (No.)	400	

## 22 - FOREST, ENVIRONMENT AND CLIMATE CHANGE DEPARTMENT

### State Sector Schemes

Climate Adaptive Livelihoods for enhanced resilience of the vulnerable coastal communities	Capacity and Awareness of Building Programmes of Communities, PRI members, Govt. Officials on Climate Change issues and Climate adaptive livelihoods	Numbers( No.)	700	Enhanced capacity and awareness of coastal communities, PRIs, Govt officials, on climate change and climate adaptive livelihood issues	no of training programmes	Numbers( No.)	700	
Climate Adaptive Livelihoods for enhanced resilience of the vulnerable coastal communities	Promotion of Climate Adaptive Livelihoods (System of Rice Intensification)	Acres	100	SRI technology adopted and promoted in the project villages	No of hectares covered	Hectare( Ha)	100	
Climate Adaptive Livelihoods for enhanced resilience of the vulnerable coastal communities	Subject Matter Specialist hired	Numbers( No.)	12	Technical support extended to the project stakeholders by the Subject Matter Specialist of DPMU	No of subject matter specialist extending technical support	Numbers( No.)	12	

## 22 - FOREST, ENVIRONMENT AND CLIMATE CHANGE DEPARTMENT

### State Sector Schemes

Climate Adaptive Livelihoods for enhanced resilience of the vulnerable coastal communities	Capacity building workshop on Climate Resilient Livelihoods for capacity building of project team and FNGO teams organized at SPMU Level	Numbers( No.)	10	Enhanced capacity of FNGOs, DPMUs, and other project team in implementing the project through capacity building workshops organized by SPMU	No of workshops days	Numbers( No.)	10	
Strengthen Coastal Governance and Institutional Framework	No of State Steering Committee meeting held	Numbers( No.)	1	Necessary direction and supervision received through Steering Committee meetings	No of meetings	Numbers( No.)	1	
Strengthen Coastal Governance and Institutional Framework	District Level Coordination Committee Meetings	Numbers( No.)	12	Necessary guidance, inputs, and supervision received from District level authorities at the DLCC meetings	No of meetings held	Numbers( No.)	12	
Strengthen Coastal Governance and Institutional Framework .	Documentat ion of best practices of ECRICC Project	Numbers( No.)	1	Project good practices and interventions are well documented and reported	No of reports	Numbers( No.)	1	

## 22 - FOREST, ENVIRONMENT AND CLIMATE CHANGE DEPARTMENT

### State Sector Schemes

				Strengthen Coastal Governance and Institutional Framework	Participation in National Steering Committee Meeting	Numbers( No.)	2	Necessary supervision , direction and technical guidance received from the National Project Steering Committee(NP SC) meetings	No of NPSC meetings held	Numbers( No.)	2	
				Project Management	District Project Management Unit	Numbers( No.)	4	Project Management support available in the 4 project districts	No of DPMU functioning	Numbers( No.)	4	
				Climate Adaptive Livelihoods for enhanced resilience of the vulnerable coastal communities	MoU signed with ICAR / Government affiliated institutes for technical support on livelihood activities such as Fish Value Added products , Crab Farming, Crab Hatchery	Numbers( No.)	2	Technical support received from reputed institutes such as MPEDA- RGCA , CIFT etc	No of MoU signed	Numbers( No.)	2	
				Climate Adaptive Livelihoods for enhanced resilience of the vulnerable coastal communities	Ornamental Fishery beneficiaries	Numbers( No.)	100	Coastal communities are exposed to alternate livelihood opportunities in the fishery sector such as ornamental fisheries	No of beneficiaries	Numbers( No.)	100

	30-4801-05-190 3733 - Chief Minister Power Development Programme-CMPDP 78539 - Redial Ring Conversion Project	121000	To provide alternate source and reduce outage and improve the system availability in order to reduce the outage of distribution system .	Charging of 220 kV Balimela – Yajanagar LILO at Govindpalli, 13 2kV SC on DC Tower from Kantabanji to Patnagarh, Budhipadar-Sundargarh line at bamra, Ghense to Padampur , Chend-Nuagaon line at Kuanarmunda including bay.	Total line work to be completed.	Percentage (%)	60	To reduce the power outage of distribution system .	Project work to be completed.	Percentage (%)	60	The transmission project takes 18 to 24 month for commissioning/charging. Therefore, the target for both output and outcome may be measured as % of work progress taking all the projects in together.
11	ENERGY - Power(Government Scheme) - Others Schemes - Equity Support to PSUs - OTHERS							Scheme Type :- State Sector Schemes				
	<i>SubScheme</i>	<i>Budget Allocation</i>	<i>Objective</i>	<i>Output</i>	<i>Indicators</i>	<i>Unit of measurement</i>	<i>Target (FY 2023-2024)</i>	<i>Outcome</i>	<i>Indicators</i>	<i>Unit of measurement</i>	<i>Target (FY2023-2024)</i>	<i>Remarks/Risk Factor</i>
	30-4801-02-190 1276 - Share Capital Investment 35010 - Share Capital Investment in OPGC	1380000	Installing Flue Gas Desulphurization system in Unit 3&4 and doing R&M works of Unit 1&2 of OPGC.	Installation of Flue Gas Desulphurization system in Unit 3& 4 of OPGC to achieve the mandate of MoEF&CC to reduce SOx emission along with R&M works of Unit 1&2.	No of Units of OPGC to be benefited.	Numbers( No.)	4	Enhancement of the life of Unit 1&2 by another 15 years along with reduction in SOx emission.	Not Applicable.	Not Applicable(NA)	0	
12	ENERGY - Power(Government Scheme) - Disaster Response Schemes - Disaster Resilient Power System - OTHERS							Scheme Type :- State Sector Schemes

#### State Sector Schemes

	SubScheme	Budget Allocation	Objective	Output	Indicators	Unit of measurement	Target (FY 2023-2024)	Outcome	Indicators	Unit of measurement	Target (FY2023-2024)	Remarks/Risk Factor
	30-4801-05-800 3733 - Chief Minister Power Development Programme-CMPDP 78538 - Disaster Resilient Power System	1000000	To increase the Grid efficiency, reliability and resilience by making the network less vulnerable to all types of adverse weather conditions, so that the outages and damage to the transmission and distribution system is reduced to a large extent, resulting to restoration of power within a minimum possible time.	Charging of 132 Kv UG Cabilling from Narendrapur to Berhampur, Mendhashal to Chandaka-B, Samngra to Puri and Argul to Ransingpur including bays.	Laying of cables to be completed.	Kilometers(km)	77	To avoid the damage of electrical network during the natural calamity and to improve the system availability resulting in reduction in power outage and damage to the transmission and the distribution system caused due to the disaster along with restoration of power within a minimum possible time.	Project work to be completed.	Percentage (%)	30	The transmission project takes 18 to 24 month for commissioning/charging. Therefore, the target for both output and outcome may be measured as % of work progress taking all the projects in together.

### 37 - ELECTRONICS & INFORMATION TECHNOLOGY DEPARTMENT

#### State Sector Schemes

		0	<p>The Scheme envisage setting up common ICT infrastructure for all the departments which can be used by the Departments for hosting IT applications and access of the same. The activities includes procurement of IT equipment, establishment of Network, upgrading of existing infrastructure and provision of hosting bandwidth, and management and maintenance of the infrastructure etc. A campus wide network with around 8,000 nodes. Due to insufficient infrastructure, IT Department is unable to provide the required services. Besides, the existing applications are also requiring more resources in terms of compute, security devices, storage etc.</p> <p>Further the EPABX system has been installed inside secretariat is being maintained by E&amp;IT Department. At present only maintenance of connections is being done by the E&amp;IT Department. Instruments and other procurements are being done by the concerned departments, which is resulting in dislocation in services. Hence it is proposed to include end to end solution for EPABX inside the secretariat in the maintenance scope.</p>
