The scheme for grant of advance increments to Government servants in Class-II service for acquiring post & graduate or any other substantially higher qualification than the minimum prescribed for the post either in the form of advance increments or one time lump sum payment hitherto is in force in accordance with the instructions indicated under reference. It is, however, noticed that the above decisions were taken at a time when there was dearth of highly qualified personnel. Now with the passage of time picture of growing unemployment reveals that highly qualified personnel in adequate number are available in open market.

After careful consideration of the matter, Government have been pleased to review the position and have felt that there is hardly any justification to extend such incentive henceforward. In other words, the system of grant of advance increments either in a recurring manner or in one-time-lump-sum payment is hereby withdrawn forthwith in supersession of all earlier instructions referred to above on the subject.

ORDER :- Ordered that the Resolution be published in the next issue of Orissa Gazette for general information.
