Office Memorandum

Bhubaneswar, the 26th April, 1973.

Sub: Procedure for recoveries of outstanding Motor Conveyance advances sanctioned by the Foreign Employers to Government servants while on deputation on the reversion to State Government.

...

The question of laying down a suitable procedure for recovery of outstanding Motor Conveyance advances sanctioned by the Foreign employers to Government Servants while on deputation on their reversion to State Government was under consideration of Government for some time past.

After careful consideration Government have been pleased to decide that the repayment of any advance taken by Government servant while on foreign service is required to be made directly by the Government servant concerned either in cash or by cheque/bank draft on reversion from the foreign service. In case, there is any default in payment, the matter should be brought to the notice of Government.

Sd/- R.N.Das,

24.4.1973.

Additional Secretary to Government
