|--------------------|---|--------------------------------------|---|---|
| (1)                | (2)   | (3)                                  | (4)                                       | (5)   |

**FINANCE DEPARTMENT**

Memo. No. 20877(225)—Codes.-33/92-F.

Dated the 7th May 1992

To

All Departments of Government/  
All Heads of Departments

Subject—Economy in consumption of petrol and other lubricants, etc., during 1990-91.

The undersigned is directed to invite a reference to this department O.M.No.26797-F., dated the 3rd August 1990 wherein it has been stipulated that consumption of petrol & diesel by the Departments of Government, Heads of Departments, Subordinate Offices, Local Bodies and Public Sector Undertakings shall be reduced by 20 per cent as compared to the consumption level of the year 1989-90. Further, for effective enforcement of such restriction, Government in Finance Department in Order No.6209-F., dated the 22nd February 1991 and No. 6213-F., dated the 22nd February 1991 have fixed appropriate ceiling for consumption of Petrol, Diesel and other Lubricants by the Departments of Government, Heads of Departments and Subordinate Offices.

2. Despite the restrictions imposed, it is found, after review of the information, received from the Departments of Government/Heads of Departments/Subordinate Offices/Public Sector Undertakings of State, that excess consumption of petrol and other lubricants etc. during 1990-91 has been made by almost all of them.

3. Government in the Finance Department have fixed the ceiling of consumption of petrol Diesel per month for different category of officers which is indicated below:—

| G.O.No. & date  | Category of officers using Government vehicles. | Ceiling of petrol & other lubricants per month per vehicles                             |
|---|---|---|
| (1)   | (2)   | (3)   |
| (i) No. 6209—Codes-62/90-F., dated the 22nd February 1991.  | 1. Collectors/Superintendents of Police.        | 170 litres  |
|   | 2. Other District Level officers                | 130 litres  |
|   | 3. Officers having Subdivisional jurisdiction.  | 100 litres  |
|   | 4. B.D.Os./Tahasildars                          | 100 litres  |
| (ii) No. 6213—Codes-62/90-F., dated the 22nd February 1991. | Departments of Government/ Heads of Department, | 150 litres subject to deviation on tours.   |
| (iii) No. 30731—Codes-18/91-F., dated the 14th August 1991. | Ministers & their personal staff                | 200 litres excluding the consumption of petrol/Diesel on tour outside the headquarters. |

4. Despite the restrictions imposed as indicated above it is noticed that many departments are coming up with proposals for augmenting their provision under the unit of appropriation "M.V." in view of the serious resource constraints faced by the State Government it is impressed upon all concerned that the expenditure on M.V. should strictly be limited to the provision allowed in the Budget of 1992-93.

5. It is imperative that the ceiling on consumption of the petrol/Diesel as prescribed by Government per vehicle per month should be strictly adhered to in order that the expenditure is kept well within the Budgetary allocation and for the purpose, the departments may carefully plan out and regulate the tour programme of the officers and if necessary, may withdraw vehicles from some of the officers under their control who are not ordinarily reported to tour or where the requirement of tour is not very much essential.

6. All Subordinate Officers under your control, may be instructed accordingly.

P. K. PATNAIK

Principal Secretary to Government
