OFFICE MEMORANDUM

Bhubaneswar, the 11/11 January, 1982.

Subject:- Incidence of dearness allowance payable on cash equivalent of Earned Leave on superannuation/death in harness while in foreign service.

The undersigned is directed to invite a reference to the decision contained in 'Note' under Rule 221 of the Orissa Service Code which provides that the expenditure in respect of any compensatory allowance for any period of leave availed of by the Government servant in or at the end of foreign service should be borne by the foreign employer. The question whether the expenditure on dearness allowance on the leave salary paid in lieu of unutilised leave in case of an officer who retires/dies in harness while on foreign service is to be borne by the parent department or the foreign employer with whom the Government servant was serving immediately prior to his retirement has been under consideration of Government.

Governor has been pleased to decide that the incidence of expenditure on account of dearness allowance payable to a Government servant who retires/dies in harness while on foreign service should be paid to him by the lending department as a part of cash equivalent of leave salary admissible to him at the time of his retirement/demise.

These orders take effect from the date of issue. The cases decided otherwise than in accordance with these orders prior to this date need not, however, be reopened.

Requisite amendment to the Orissa Service Code will follow.
