3. Introduction of Pay Matrix and date of its effect.

The Pay Matrix, in replacement of the Pay Bands and Grade Pays as in force immediately prior to the issue of this Resolution, shall be as specified in Annexure-I. The revised pay structure shall be effective from the 1st January, 2016.

4. Fitment Principle

- (i) The pay in the applicable level in the Pay Matrix shall be the pay obtained by multiplying the existing basic pay (pay in Pay Band + Grade Pay) as on 01.01.2016 by a factor of 2.57 rounded off to the nearest rupee and the figure so arrived at will be located in that level in the Pay Matrix. If an identical figure corresponds to any Cell in the applicable Level of the Pay Matrix, the same shall be the pay, and if no such Cell is available in the applicable Level, the pay shall be fixed at the immediate next higher Cell in that applicable Level in the Pay Matrix.
- (ii) If the first Cell in the applicable Level is more than the amount arrived at as per sub-para (i) above, the pay shall be fixed at the first Cell of that applicable Level.
- (iii) In case of person who has availed RACP Scheme, the level for fixation of pay under Odisha Revised Scale of Pay Rules, 2017 (to be issued) will be reworked in the line with the Modified Assured Career Progression Scheme (MACPS). However, the pay drawn by him as on 01.01.2016 will be revised for fixation of his pay in the level as arrived under MACP Scheme as per formula mentioned in (i) above. The applicable Level after fixation shall be the Level of the post one holds or his entitlement arrived at under the MACP Scheme whichever is higher.

5. Exercise of option.

All employees shall be deemed to have come over to the revised scales of pay with effect from the 1st January, 2016 except where the Government servants have opted for a date after the 1st January, 2016 under the provisions of Revised Scales of Pay Rules. A

Government servant may elect to continue to draw pay in the existing pay structure until the date on which he earns his next or any subsequent increment in the existing pay structure or until he vacates his post or ceases to draw pay in the existing pay structure. Such option shall be submitted within three month from the date of publication of the notification of revised pay rules. No option shall however be exercised in case of direct recruits appointed on or after the date of implementation of the Revised Scale of Pay Rules. Option once exercised shall be final.

6. Rate of Increment.

After fixation of pay in the appropriate Level in the Pay Matrix as specified in Paragraph-4 above, the subsequent increment (s) in the Level shall be at the immediate next higher Cell in that Level.

7. Date of Increment.

The date of next increment in the revised pay structure shall be 12 months after the sanction of last increment. Where the pay is fixed at the first Cell of the Level the date of next increment shall be the anniversary of the date of coming over to the revised pay in the Level.

8. Fixation of pay on promotion on or after 1st January, 2016.

The fixation of pay in case of promotion from one Level to another in the revised pay structure, one increment shall be given in the Level from which the employee is promoted and he/she shall be placed at a Cell equal to the figure so arrived at in the Level of the post to which promoted and if no such Cell is available in the Level to which promoted, he/she shall be placed at the next higher Cell in that Level. However, if the pay in the Level after adding an increment is less than the minimum Cell of the higher Level to which the employee is promoted, pay shall be stepped up to such minimum Cell of that higher Level. In case where promotion is made in the same Level, the pay shall move to the next higher Cell of the said Level.

9. Option to avail promotional pay.

An employee on promotion to higher post may opt to avail promotional pay on the date of joining or at a later date i.e. after accrual of increment in the lower post. In case, the employee opts for promotional pay not on the date of joining but on the date of accrual of increment in the lower post, the pay drawn in the lower post shall immediately be placed at the appropriate Cell exact to the amount in the higher Level attached to the promotional post on the date of joining, if no such Cell is available in the higher Level then, the pay shall be placed in the Cell next below of the pay drawn in lower post and the excess amount shall be drawn as "Personal Pay" up to the date of accrual of increment in the lower post. Thereafter, the pay shall be re-fixed again in the manner prescribed in Paragraph-8 above after accrual of increment in the lower post. Such option shall be submitted within one month from the date of joining in the promotional post.

10. Stepping up benefit.

In case, a senior Government servant is drawing more or equal pay than his junior immediately before the 1st day of January, 2016, in the same post and in the same Pay Band and Grade Pay and the senior's pay gets fixed at a stage lower than that of his junior then his

pay can be stepped up or increment can be antedated to the stage of his junior. Such stepping up benefit can be available to an employee only once. But, where junior gets more pay than senior in the revised scale on account of exercise of option, such stepping up pay shall not be permissible.

11. Modified Assured Career Progression (MACP) Scheme.

The Revised Assured Career Progression Scheme (RACPS) ceases to operate with the end of Orissa Revised Scales of Pay Rules, 2008. However, this shall remain in force for an employee till he continues to draw pay in the pre-revised pay band and grade pay under ORSP Rules, 2008. Henceforth, the Revised Assured Career Progression (RACP) Scheme is replaced with introduction of Modified Assured Career Progression (MACP) Scheme w.e.f. 01.01.2016 in the revised pay rules, 2017 (to be issued). There shall be three financial up-gradations under MACP Scheme, counted from the direct entry grade on completion of 10, 20 & 30 years of service respectively in absence of promotion.

The MACP Scheme envisages merely placement of the employee in the next higher Level prescribed in the Pay Matrix in each stage of up-gradation. But, such placement shall be in the next higher Cell in the Level where the promotional post carries the same Level in the Pay Matrix. There shall be a Screening Committee to decide the suitability and eligibility of the employees for up-gradation under the scheme in the manner prescribed in RACP Scheme. The constitution and work procedure of the Screening Committee shall be the same as applicable in RACP Scheme. The manner of pay fixation in case of promotion shall be applied in case of fixation of pay of an employee in the next higher Level under the MACP Scheme. However, fixation of pay under MACP Scheme shall depend upon the fixation of pay availed under RACP Scheme. No stepping up pay/ antedation of increment between senior and junior shall be permissible where anomaly arises after regulation of pay under MACP Scheme because up-gradation under the Scheme is purely personal to the employee.

12. Pay fixation formula.

Pay in the revised pay structure is to be fixed on the 1st January, 2016 or the date from which revised scale of pay is opted for in the manner outlined in Paragraph-4 of this Resolution.

- (i) The pay in the revised pay structure of the employees appointed as fresh recruits on or after the 1st January, 2016 shall be fixed at the first Cell in the Level applicable to the post to which such employees are appointed.
- (ii) Where the existing emoluments of an employee appointed on or after 1st January, 2016 happen to exceed the first Cell in the Level, as applicable to the post to which such employee is appointed on or after 1st January, 2016, such difference shall be paid as “Personal Pay” to be absorbed in future increments in pay.
- (iii) Where a Government servant is in receipt of personal pay on the 1st day of January, 2016 which together with his existing emoluments exceeds the revised emoluments, then the difference representing the excess shall be

allowed to such Government servant as “Personal Pay” to be adjusted in future increases in pay.

- (iv) While determining the basic pay as on the 1st January, 2016, the *ad hoc* increment granted in shape of personal pay on account of stagnation at the maximum of the Pay Band will be reckoned to determine the emoluments in the revised pay structure. Where the normal date of increment in the pre-revised Pay Band and Grade Pay falls on the 1st January, 2016, the pay in the revised pay structure shall be fixed on the basis of pay admissible in the existing Pay Band and Grade Pay on the 1st January, 2016 including increment.

13. Dearness allowances.

Consequent upon revision of pay scale as per the revised pay structure with effect from the 1st January, 2016, the Dearness Allowance shall be regulated in the manner by the same principle as adopted by Government of India for their employees from time to time and the rate of dearness allowance will be as mentioned below :-

The State Government Employee shall continue to draw the HRA equal to the amount drawn before the date of publication of this resolution even after fixation of pay in the revised pay scale. The revision of HRA shall be decided subsequently. Resolution in this regard shall be issued separately later. In case of change of headquarter of an employee due to transfer or otherwise after the date of issue of this resolution, the employee shall draw the HRA at the rate applicable to the new station in the existing provision on the basis of pay drawn just before issue of this resolution.
