Sub: Drawal of salary in the revised pay rules, 2017 for the month of September, 2017 for regular State Government employees as per Resolution No.26342/F, dated.07.9.2017.

With reference to the Resolution cited above, the salary for the month of September, 2017 for the regular State Government employees can be drawn following the drawal procedures as per the revised pay principles in reference to ORSP Rules, 2017. However, in cases where it is not possible to draw the same following the due procedures, the salary under the revised pay can be drawn as an ad hoc arrangement for the month of September-2017 only by multiplying a factor of 2.57 to the basic pay (Pay + GP) as on **01.01.2016** plus 4% of DA on the revised pay so calculated as per the illustration below:.

If in any case the salary so arrived is less than the present emoluments (including pay, DA, allowances etc.) of the employee, the higher amount that is the present emoluments may be drawn.

However, the above instruction is optional. Employees willing to draw their salary in the pre-revised scale till their fixation in the revised scale may continue as such as per the usual procedure.

The differential amount, if any, is to be adjusted in subsequent drawal.
