OFFICE MEMORANDUM

Bhubaneswar, the 10th November 1989

Subject—Procedure for repair of Govern-
ment vehicles.

The undersigned is directed to say that
Government vehicles are repaired by differ-
ent offices at different localities through-
out the State. Although large sums of money
are spent every year on such repairs, the
repairs effected are often uneconomical and
sub-standard as no systematic and uniform
procedure, is followed for selection of the
repairs. After careful consideration
Government have been pleased to decide
that the procedure to be followed for repair
of Government vehicles should be as
follows:—

1. The Government vehicles should be
repaired in the garages at District and Sub-
divisional Headquarters to be selected by
the Inspector of Motor Vehicles (Technical)
and approved by the Deputy Commissioner.
