OFFICE MEMORANDUM

Bhubaneswar, the 27th January 1990

Subject—Determination of members of family of deceased subscribers to G. P. F.

The undersigned is directed to invite a reference to G. D. O. M. No. 40072-F., dated the 25th October 1988 on the subject mentioned above wherein it is clarified that the children born of a marriage which is null and void under Section 11 Hindu Marriage Act, 1955 the children gain a proprietary interest over the property of their parents if such property is their self acquisition.

In this context a doubt has arisen regarding the claims of the family members of the deceased subscribers belonging to Muslim community and Christian community.

It is clarified in Consultation with Law Department that under the Law governing

Christian community, illegitimate children have no right to succeed to the properties of their parents and the Law does not even recognize any children by adoption. But so far as Mohammedan Law is concerned, a group of Muslims are governed under the Hanafi Law of Inheritance and the other under the Shia Law of Inheritance. Those who are governed under the Hanafi Law of Inheritance, illegitimate child is considered to be the child of its mother only and as such, it inherits from its mother and its relations and they inherit from such child, whereas in case of those governed under the Shia Law of Inheritance, an illegitimate child does not inherit at all, not even from its mother or relations nor do they inherit from him.

Thus the pending cases if any may be settled accordingly.

The above clarification may be brought to the notice of all concerned for their guidance.
