Sub:-

Grant of House Building Advance.

...

The undersigned is directed to invite a reference to paragraph 3 of this Department Office Memorandum No.11723F dated 2.4.64 in which it was stated that in cases where Government servants were granted loans equal to 24 times of their pay, this Department would be prepared to consider the application for enhancing the amount of advance upto 36 times ~~application for enhancing the amount of advance upto 36 times~~ of their pay. A question has been raised as to whether this difference will be computed on the old rate of pay on which the original advance was sanctioned or on the pay drawn by the applicant on the day of his subsequent application for the grant of additional twelve months' pay as house building advance. After careful consideration Government have been pleased to decide that the amount of advance in such cases will be computed on the basis of ~~pay~~ which the Government servant concerned was drawing at the time, when the original advance was sanctioned and not on the basis of his subsequent pay.
