FINANCE DEPARTMENT

Memo. No. 33338(40)—GPF-5/88-F.

The 29th August 1989

To

All Department of Government

Subject—Timely settlement of G. P. F. cases.

The undersigned is directed to say that, it has been brought to the notice of Government by the Audit Office that a large number of P. F. cases are pending finalisation due to want of required information from the relevant sources, mainly the Drawing and Disbursing Officers. It

hardly needs to mention that various instructions have been issued from time to time for correct preparation of schedules of G. P. F. subscription and timely intimation to the office of Accountant-General regarding sanction of temporary advance/Non-refundable withdrawal from the G. P. F. But the desired result has not yet been achieved due to defective preparation of schedules and want of timely intimation to the Accountant-General in respect of temporary advance/non-refundable withdrawal as reported by the Accountant-General, Orissa.

In order to overcome the difficulties arising out of communication gap as indicated above, it has been decided that the Accountant-General will depute peripatetic parties to concerned quarters to verify relevant records and collect required information to finalise the G. P. F. account of the subscribers. For this purpose prior intimation will be sent by the Accountant-General to the Drawing and Disbursing Officers indicating therein the list of final payment/residuary balance cases and information which have to be supplied by the Drawing and Disbursing Officers when the parties visit the office. Within 15 days of receipt of such intimation the Drawing and Disbursing Officers with the help of Treasury Officers, where necessary will prepare detailed authenticated inputs for supply/spot verification and intimate their readiness to Shri B. M. Chakrabarty, Accounts Officer (F. M.) Office of Accountant-General Orissa. Thereafter the Drawing and Disbursing Officers will be intimated by the Accountant-General the date of visit of the peripatetic parties.

As Government lay much importance on timely finalisation and payment of Provident Fund accumulation of the retired Government servants the course of action mentioned above should be brought to the notice of all the Drawing and Disbursing Officers of the Departments of Government, Heads of Department and Subordinate Offices under their control.
