OFFICE MEMORANDUM

The 16th March 1992

Subject—Payment of Temporary Increase—Clarification.

For quite some time past the State Government and the Government of India are continuing to sanction T.I. to their pensioners as per norms and rates prescribed by them as a measure of dearness relief in order to compensate the pensioners from rising prices. From the 1st January 1986 the T.I. sanctioned by the State Government and Central Government are in equal percentage to be calculated on the basis of quantum of pension since sanctioned to the pensioners. Now a doubt has arisen in certain quarters as to whether the percentage of T.I. shall be calculated separately on each quantum of pension or by adding both the quantum of pension in case of pensioners enjoying both State and Central Pension simultaneously.

2. After careful consideration of the above matter the Government have been pleased to decide that in case of pensioners enjoying both the State and Central pension the percentage of T.I. shall be calculated on the quantum of each pension separately and the sumtotal of such calculated amount shall be paid to them, henceforward after issue of this order.
