FINANCE DEPARTMENT

OFFICE MEMORANDUM

The 21st September 1991

Subject—Benefit in the matter of fixation of pay in the case of an officer joining his promotional post later than the officer junior to him.

At times a senior officer, on promotion is not in a position to join his promotional post, due to administrative reasons, before his junior joins such a promotional post. The administrative reasons may be associated with some definite time-bound work such as conduct of General Election, maintenance of law and order situation for specific duties, execution of relief work, conducting of examination in schools/ colleges and stock taking of stores/non-availability of detailed posting order/collection of taxes as per the fixed target in the last quarter of financial year, etc. As a result, the senior officer sustains financial loss for no fault of his. This has created discontentment among the officers who are so affected.

With a view to removing any anomaly in this regard and any financial loss in consequence, it has been decided by the Government that in every case where a senior officer, on promotion, joins his new assignment later than the officer junior to him due to administrative reasons, the senior officer shall be deemed to have joined the promotional post, for the purpose of fixation of his pay in relation to that post, with effect from the date the officer junior to him assumes the charge of the promotional post. In other words, the pay of the senior officer shall be fixed notionally under rule 80 of the Orissa Service Code allowing benefit in the promotional post with effect from the date the junior joined the promotional post, in no case, however the senior officer shall be entitled to draw the actual financial benefit on this account for any period prior to the date he actually assumes the charge of the promotional post.

The benefit of this order will be applicable subject to the following conditions, namely:—

1. The senior officer must have joined in the promotional post within a period of three months from the date of issue of the promotion order.
2. The delay in joining should not give a feeling that transfer to any other place or post is being avoided on personal consideration but for administrative exigencies.

Necessary certificate to this effect indicating the definite time-bound work as referred in Para. 1 shall be recorded by the authority competent to fill up the post on promotion. Such cases will be disposed of with the concurrence of Finance Department.

This order will take effect from the date of its issue. Cases already disposed of shall not be re-opened. Pending cases will be disposed of in accordance with this order.

Subject—Leave benefits to the non-gazetted Policemen—Extension thereof to the police personnel holding posts equivalent to the rank of Sub-Inspectors of Police.

The question of extending the leave benefits as allowed to the non-gazetted Policemen in this Department Resolution No. 6547-F., dated the 11th February 1980 for working throughout the year on Sundays and public holidays and for putting extra hours of duty during working days to the police personnel holding posts equivalent to the rank of Sub-Inspectors of Police consequent upon conferment of gazetted status on them has been under consideration of Government.

2.
