FINANCE DEPARTMENT

OFFICE MEMORANDUM

No. 39339—Pen-76/90-F.

The 22nd November 1990

Subject—Simplification of pension procedure governing the grant of Pension/Family Pension rounding off to the next higher rupee.

The undersigned is directed to refer to Finance Department Office Memorandum No. 14870-F., dated the 20th April 1966 read with Finance Department Office Memorandum No. 10226-F., dated the 28th March 1968 on the subject noted above and to say that a question was raised as to the manner, in which family pension/pension in the following cases is to be rounded off:—

- (a) In respect of family pension where the pension is payable to more than one person, each share containing a fraction of a rupee.
- (b) In respect of pension/family pension paid for a part of a month due to the death of a Government servant or for any other reason, where the same becomes payable in fraction of a rupee.

It is clarified that in respect of (a) above each share of family pension resulting in a fraction of rupee may be rounded off to the next higher rupee, except in cases where family pension, if all the shares are put together, exceed the maximum limit of family pension admissible. However, in exceptional and rare cases where the shares of family pension rounded as above when added cause an excess over the maximum limit, such cases should be referred to the Finance Department.

In respect of (b) above, payment of pension for part of a month if worked out in fraction of a rupee may also be rounded off to next higher rupee.
