

Orissa Legislative Assembly, on the reports of the Comptroller and Auditor-General of India and on the reports of the Public Accounts Committee, duly authenticated by the Secretary of the Administrative Department it is observed by the P. A. C. that some of the departments are still submitting the compliance notes/action taken notes without being authenticated by the Secretary of the Administrative Department. It is once again requested that the compliance notes and action taken notes should be page numbered and duly authenticated by the Secretary of the Administrative Department before submission to the P. A. C.

2. Further the Administrative Department were also advised on several occasions in the past to prepare the notes on Paras incorporated in the report of the Comptroller and Auditor-General of India (Civil and Revenue receipts) and on the report of the P. A. C. with full facts and figures and to submit 25 copies of the notes so prepared to Orissa Legislative Assembly duly page marked and authenticated by the Secretary of the Administrative Department promptly on receipt of the report. This has not been adhered to. The Public Accounts Committee has therefore observed with dissatisfaction that the departments do not furnish the approved notes and action taken notes within the time limit and in the prescribed manner.

You are, therefore, once again, requested to see that the instructions given on the subject, from time to time, are carefully implemented so that the present state of affairs could be avoided.

The receipt of the circular may please be acknowledged.
