OFFICE MEMORANDUM

Bhubaneswar, the 12th Feb., 1982.

Sub:- Grant of Extraordinary leave to temporary Government servants during deputation on training - clarification thereof.

Under Rule 13(3) of the Orissa Leave Rules, 1966 a Government servant not in permanent employment may be granted during deputation on training extraordinary leave from the date of his relief till the date of resumption of duties on return from training subject to fulfilment of other conditions laid down in this rule. Doubts have arisen as to whether in cases where a Government servant avails leave either before commencement of the training or before resuming duties under Government after return from training on ground of ill health will also be covered by Rule 13(3) and the entire period treated as extraordinary leave.

2. It is hereby clarified that the intention of Rule 13(3) of O.L.R., 1966 is to specify the maximum period for which extraordinary leave can be granted to a temporary Government servant for the purpose of undergoing training and it is not intended to treat the entire period of absence from the date of relief till the date of resumption of duties as extraordinary leave. The leave of absence availed by Government servants on ground of illness before joining the training or after relief from training till resumption of duties may be regularised by grant of leave due and admissible. Such cases should be referred to Government and the authority sanctioning leave must satisfy himself that the grounds are genuine and that the concerned Government servant has furnished adequate proof in support of his illness.

3. This order takes effect from the date of issue, and cases pending may be regulated as per the above decision. Cases already decided will, however, not be reopened.

Additional Secretary to Government.
