Sub: Advance online distribution of allotments through the IFMS Odisha Portal by all Departments to Controlling Officers and from Controlling Officers to DDOs/ Divisions/ Projects within the limits of Vote on Account, 2018-19.

Madam/Sir,

I am directed to refer to the subject mentioned above and to say that Budget Estimates for 2018-19 has been laid in the Odisha Legislative Assembly. It would not be possible to complete the legislative process for scrutiny of Demand for grants by the Departmentally Related Standing committees, approval of the Demand for Grants and Appropriation Bill for the Annual Budget before closure of the financial year. Therefore, it has been decided to seek approval of the Legislative Assembly for a vote on Account for a portion of Annual Budget provision, before the close of the financial year to defray the expenditure on continuing establishments and schemes during the first month of the ensuing financial year. After scrutiny of the demand for grants by the Departmentally related Standing Committees during the recess, the Annual Budget will be considered for approval in the month of April, 2018

2. The provision made in the Annual Budget Estimates and the limit of Expenditure indicated in the Vote on Account, 2018-19 will be made available in the Budget Interface and works expenditure module of IFMS Portal(www.odishatreasury.gov.in/
www.ifmsodisha.gov.in) enabling Administrative Departments to distribute the allotments to their Controlling Officers from 30th March, 2018 onwards within the limit of expenditure mentioned in the Vote on Account. The Controlling Officers in turn would be able to distribute the provisions allotted to them by the Administrative Departments to their DDOs by 31st March, 2018.

3. In order to ensure availability of the disaggregated information on the Central Share and State Share of the expenditure under Centrally Sponsored Schemes (CSS), necessary validation at the budget formulation stage on the percentage of Central Share for the

Centrally Sponsored Schemes (CSS) is built in at the level of Chart of Account. This information is made available in the IFMS system along-with budget data. At the time of issuance of allotment by the Administrative Departments using IFMS, the default sharing pattern entered by the Department at the time of formulation of budget would be displayed with option to change. **The Administrative Departments are required to verify the correctness of the sharing pattern of the Centrally Sponsored Schemes (CSS) before issuance of allotment.** The sharing percentage reflected by the Administrative Department at the time of issue of allotment in IFMS will be frozen till drawal of funds under respective chart of account of the Centrally Sponsored Schemes (CSS). IFMS will fetch the required information from different transactions under Centrally Sponsored Schemes (CSS) using the percentage linked to each transaction for the purpose of reporting.

4. The entire process of distribution of allotment under Budget should be completed as early as possible in order to enable the Treasuries/Sub-Treasuries to process the claims pertaining to the next financial year. However, sanction and release of funds from the Vote on Account 2018-19 would be regulated by specific instructions of Finance Department to be issued in this regard.

It is the responsibility of the Administrative Departments and Controlling Officers to ensure distribution of budgetary allocation within the timeline indicated above. The Controlling officers are required to distribute the DDO wise budget allotment online through the IFMS after which the DDOs concerned can view and download the allotment issued to them from the Odisha Treasury Portal.

This may kindly be treated as **MOST URGENT**.

Yours faithfully,

Sd/-

Principal Secretary to Government
